the European Union without a withdrawal agreement; and therefore resolves to pursue every option that prevents the United Kingdom's either leaving the European Union without a withdrawal agreement or leaving on the basis of the negotiated withdrawal agreement laid before the House."

Line 1 leave out from "House" to end and insert "declines to approve the Withdrawal Agreement and the Framework for the Future Relationship negotiated between the EU and the UK; rejects the United Kingdom leaving the European Union without a Withdrawal Agreement and a Framework for the Future Relationship; accordingly calls on the Government to bring forward without delay the debate required under

**Amendment (d)**

**Giles Watling**

Line 5, after “Community”, insert “, only when the Government has renegotiated Article 184 of the Agreement and Article 2 of the Protocol on Ireland/Northern Ireland of that same Agreement to guarantee that an agreement on the UK’s future relationship with the European Union is in place before the end of the transition period,”

**Sir Edward Leigh**

At end add “notes that the Northern Ireland backstop is intended to be temporary; notes that the Vienna Convention on the Law of Treaties makes it absolutely clear that a sovereign state can abrogate any part of a treaty with an international body in case of a fundamental change of circumstances since the Treaty was agreed; notes that making the Northern Ireland backstop permanent would constitute such a fundamental change of circumstances; and therefore calls for an assurance from the Government that, if it becomes clear by the end of 2021 that the European Union will not agree to remove the Northern Ireland backstop, the United Kingdom will treat the indefinite continuation of the backstop as a fundamental change of circumstances and will accordingly give notice on 1 January 2022 to terminate the Withdrawal Treaty so that the United Kingdom of Great Britain and Northern Ireland shall become an independent country once again.”

**Amendment (e)**

**Frank Field**

At end, add “subject to revision of Article 182 of the Withdrawal Agreement, the Protocol on Ireland/Northern Ireland and paragraph 19 of the framework, in order to guarantee the sovereign right of the UK ultimately to terminate the Northern Ireland backstop if it is not possible to reach agreement with the EU on establishing alternative arrangements for ensuring the permanent absence of a hard border on the island of Ireland; and mandates the Government to negotiate within the future framework a free trade relationship with the EU along the lines of the Canada-European Union Comprehensive Economic and Trade Agreement.”

**Amendment (f)**

**Mr John Baron**

At end add “subject to changes being made in the Withdrawal Agreement and in the Ireland/Northern Ireland Protocol so that the UK has the right to terminate the Protocol without having to secure the agreement of the EU.”
