The Prime Minister

That this House approves for the purposes of section 13(1)(b) of the European Union (Withdrawal) Act 2018, the negotiated withdrawal agreement laid before the House on Monday 26 November 2018 with the title 'Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community' and the framework for the future relationship laid before the House on Monday 26 November 2018 with the title 'Political Declaration setting out the framework for the future relationship between the European Union and the United Kingdom'.

Line 1, leave out from "House" to end and insert "declines to approve the negotiated withdrawal agreement and the framework for the future relationship because it fails to provide for a permanent UK-EU customs union and strong single market deal and would therefore lead to increased barriers to trade in goods and services, would not protect workers' rights and environmental standards, allows for the diminution

of the United Kingdom's internal and external security and is likely to lead to the implementation of a backstop provision in Northern Ireland that is neither politically nor economically sustainable; declines to approve the United Kingdom's leaving the European Union without a withdrawal agreement; and therefore resolves to pursue every option that prevents the United Kingdom's either leaving the European Union without a withdrawal agreement or leaving on the basis of the negotiated withdrawal agreement laid before the House."

At end, add "notes that the Northern Ireland backstop is intended to be temporary; notes that the Vienna Convention on the Law of Treaties makes it absolutely clear that a sovereign state can abrogate any part of a treaty with an international body in case of a fundamental change of circumstances since the Treaty was agreed; notes that making the Northern Ireland backstop permanent would constitute such a fundamental change of circumstances; and therefore calls for an assurance from the Government that, if it becomes clear by the end of 2021 that the European Union will not agree to remove the Northern Ireland backstop, the United Kingdom will treat the indefinite continuation of the backstop as a fundamental change of circumstances and will accordingly give notice on 1 January 2022 to terminate the Withdrawal Treaty so that the United Kingdom of Great Britain and Northern Ireland shall become an independent country once again."

Amendment (e)**Frank Field****Mr Ronnie Campbell****Henry Smith****Martin Vickers****Andrew Rosindell****Sir David Amess**

At end, add "subject to revision of Article 182 of the Withdrawal Agreement, the Protocol on Ireland/Northern Ireland and paragraph 19 of the framework, in order to guarantee the sovereign right of the UK ultimately to terminate the Northern Ireland backstop if it is not possible to reach agreement with the EU on establishing alternative arrangements for ensuring the permanent absence of a hard border on the island of Ireland; and mandates the Government to negotiate within the future framework a free trade relationship with the EU along the lines of the Canada-European Union Comprehensive Economic and Trade Agreement."

Mr Ian Liddell-Grainger

Fiona Bruce

Sir Edward Leigh

Sir David Amess

Mrs Sheryll Murray

Mr Nigel Evans

At end, add "subject to changes being made in the Withdrawal Agreement and in the Ireland/Northern Ireland Protocol so that the UK has the right to terminate the Protocol without having to secure the agreement of the EU."

Amendment (g)**Daniel Kawczynski**

At end, add "subject to reaching a financial settlement which requires the UK to pay the EU no more than £19.5 billion when the withdrawal agreement comes into force, with no further payments to the EU authorised to be made by the UK until a free trade agreement with the EU has been ratified."

Amendment (h)**Daniel Kawczynski**

At end, add "and urges the Government to vigorously contest any breach of the spirit of the negotiated withdrawal agreement's requirements of good faith and best endeavours by any Member State of the EU seeking to pursue its narrow national interest in relation to fishing rights or any other matters requiring the UK and the EU to reach agreement."

Amendment (j)**John Mann****Gareth Snell**

At end, add "agrees with paragraph 79 of the Political Declaration that the future relationship must ensure open and fair competition and that provisions to ensure this should cover state aid, competition, social and employment standards, environmental standards, climate change, and relevant tax matters, building on the level playing field arrangements provided for in the Withdrawal Agreement and commensurate with the overall economic relationship; and determines not to allow the UK leaving the EU to result in any lowering after exit day of standards in relation to employment, environmental protection and health and safety which will continue to protect the wellbeing of every person in this country."

Amendment (l)**Sir Vince Cable****Tom Brake****Jo Swinson****Mr Alistair Carmichael****Wera Hobhouse****Sir Edward Davey**

Tim Farron

Amendment (m)**Sir Hugo Swire****Richard Graham****Robert Neill****Sir Henry Bellingham****Sir Nicholas Soames**

At end, add “subject to legislation making provision that requires: the Government to report in March 2020 on the status of arrangements to supersede the Northern Ireland backstop, consider the views of the devolved administrations in particular the Northern Ireland Executive and Assembly, and enable this House to approve the Government’s proposed approach, including whether or not an extension to the implementation period should be pursued; and parliamentary approval of the commencement of the powers implementing the Northern Ireland backstop; and the Government to have a duty to have an agreed future relationship or alternative arrangements one year after the Northern Ireland backstop coming into force, consistent with the framework for the future relationship as laid before the House, so that the Northern Ireland backstop ceases to apply; and subject to the Government obtaining further assurance from the European Union that the Northern Ireland backstop would only be a temporary arrangement and that, in the event that it comes into force, both parties intend to agree a future relationship or alternative arrangements consistent with the Political Declaration one year after the end of the Implementation Period.”
