Line 1, leave out from "House" to end and insert "declines to approve the negotiated withdrawal agreement and the framework for the future relationship in line with the views of the Scottish Parliament and the Welsh Assembly that they would be damaging for Scotland, Wales and the nations and regions of the UK as a whole; notes the legal opinion of the Advocate General of the European Court of Justice that the United Kingdom has the right to unilateral revocation of the notification of the intention to withdraw from the EU, until such time as the Withdrawal Agreement is formally concluded; therefore calls on the UK Government to request an extension to the period of negotiation under Article 50 of the Treaty on European Union so that the UK does not leave the EU without a withdrawal agreement or on the basis of the negotiated agreement laid before the House on Monday 26 November 2018; and calls on the UK Government to respect the will of the Scottish Parliament in its vote on 5 December 2018 and the Welsh Assembly in its vote on 4 December 2018, which both rejected the withdrawal agreement as it now stands."

At end, add “notes that the Northern Ireland backstop is intended to be temporary; notes that the Vienna Convention on the Law of Treaties makes it absolutely clear that a sovereign state can abrogate any part of a treaty with an international body in case of a fundamental change of circumstances since the Treaty was agreed; notes that making the Northern Ireland backstop permanent would constitute such a fundamental change of circumstances; and therefore calls for an assurance from the Government that, if it becomes clear by the end of 2021 that the European Union will not agree to remove the Northern Ireland backstop, the United Kingdom will treat the indefinite continuation of the backstop as a fundamental change of circumstances and will accordingly give notice on 1 January 2022 to terminate the Withdrawal Treaty so that the United Kingdom of Great Britain and Northern Ireland shall become an independent country once again.”

At end, add “subject to legislation making provision that requires: the Government to report in March 2020 on the status of arrangements to supersede the Northern Ireland backstop, consider the views of the devolved administrations in particular the Northern Ireland Executive and Assembly, and enable this House to approve the Government’s proposed approach, including whether or not an extension to the implementation period should be pursued; and parliamentary approval of the commencement of the powers implementing the Northern Ireland backstop; and the Government to have a duty to have an agreed future relationship or alternative arrangements one year after the Northern Ireland backstop coming into force, consistent with the framework for the future relationship as laid before the House, so that the Northern Ireland backstop ceases to apply; and subject to the Government obtaining further assurance from the European Union that the Northern Ireland backstop would only be a temporary arrangement and that, in the event that it comes into force, both parties intend to agree a future relationship or alternative arrangements consistent with the Political Declaration one year after the end of the Implementation Period.”
