PRIVATE BUSINESS

The notice below contains information relating to Private Business. Private legislation is legislation of a special kind for conferring particular powers or benefits on specific individuals or organisations rather than the general population. Private business can be considered either in Committees or on the floor of the House.

For more information on Private Business please see the relevant section of Parliament's website: <http://www.parliament.uk/about/how/laws/bills/private/>.

New Clause 1

The Commissioners must ensure that the water in the waterways is maintained to a minimum depth of three feet across two thirds of the width of any defined navigable waterway. In the event that the said depth of water is not maintained no boater shall be required to pay any charge.

New Clause 2

The Commissioners must, within twelve months of the day on which this Act comes into force, provide facilities at Stanground Lock and Salters Lode Lock including a lavatory, a fresh water point, bins for the disposal of refuse, an elsan/lavatory emptying point and a minimum of ten moorings, each available for up to seven days at any one time and capable of accommodating a boat up to fifty feet in length.

New Clause 3

The Commissioners must, within twelve months of the day on which this Act comes into force, provide facilities within the town of March including a lavatory, a coin operated water shower, a fresh water point, bins for the disposal of refuse, an elsan point, a lavatory pump-out point and a minimum of ten moorings each available for a period of up to seven days at any one time which can accommodate a boat up to fifty feet in length.

New Clause 4

The Commissioners must within twelve months of the day on which this Act comes into force enable access to the facilities and moorings specified under this Act to be by a boater key system paid for by boaters for a nominal fee and operated by the Commissioners.

New Clause 5

No boater shall be required to pay any charges under the provisions of this Act until the facilities and moorings specified in the Act are maintained in good repair and working order.
