Dear Ms Creagh

I would very much welcome the opportunity to meet with you to discuss in person boohoo group's British success story, our sustainability journey, our progress to date and our future aspirations, our response to the recommendations of the Environmental Audit Committee, and to hear your views.

I would therefore like to invite you to join me for lunch at boohoo head office, followed by a meeting with our senior team and a tour of our premises.

We would also be delighted to show you around our Burnley Distribution Centre and give you the opportunity to meet some of our people.

I do hope this is of interest to you and very much look forward to hearing from you so we can arrange a date to suit your diary.

Best regards
