Dear Nicky and Frank,

MOTABILITY GOVERNANCE REVIEW

In your letter of 28 January 2019, you advised that recommendations 35 and 42 in Motability's governance review have been redacted in Motability's submission to your committees, on the grounds of commercial sensitivity. You asked me to confirm whether I consider the two specific recommendations to be commercially sensitive.

I have reviewed the documentation we hold on this and, while the recommendations are currently confidential because they have not been disclosed, I am not persuaded by Lord Sterling's view that they are commercially sensitive. Nor do I consider that their public disclosure would cause any specific harm on the grounds of value for money.

AMYAS C E MORSE
