BUSINESS OF THE DAY

1. QUEEN'S SPEECH (MOTION FOR AN ADDRESS): ADJOURNED DEBATE [23 OCTOBER]

Until 5.00pm ([Standing Order No. 9\(3\)](#))

- **Proposed subject for debate: The economy**

That an humble Address be presented to Her Majesty, as follows:

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled, beg leave to offer our humble thanks to Your Majesty for the Gracious Speech which Your Majesty has addressed to both Houses of Parliament.

Amendment (a)

Caroline Lucas

Geraint Davies

At end add 'but believe that the measures in the Gracious Speech fail to deliver the urgent transformative action required by the environment and climate emergency; call on your Government to enact a Green New Deal to restructure and decarbonise the economy and restore nature, including alternative measures of economic success to GDP, public investment of 5 per cent of GDP on well-paid jobs and new industries country-wide, energy efficiency programmes that end fuel poverty, community owned renewables, publicly-owned and affordable public transport, cycling and walking, climate-friendly food and farming and mass building of zero-carbon council homes; urge your Government to establish a Committee on Sustainability to advise

on restoring and protecting ecosystems; further urge your Government to prioritise climate justice, the reversal of social and economic inequality and the revitalisation of democracy, with legislation to end public spending on fossil fuel projects overseas, contribute a fair share to international climate finance for mitigation and adaptation alongside loss and damage, and to deliver a real living wage, a maximum pay ratio of 10:1, a universal basic income, proportional voting, votes at 16, citizens assemblies, an end to privatising public services like the NHS and a reversal of cuts inflicted on local government since 2010.'

Amendment (b)

Kate Hollern

Ruth George

Ruth Jones

Tonia Antoniazzi

Geraint Davies

Stephen Morgan

At end add 'but respectfully regret that there were no proposals to save free TV licences for all those aged 75 and over contained in the Gracious Speech; notes that there are 3.7 million pensioners across the UK who face losing their free TV licence; recognises that the loss of free TV licences will increase both poverty and loneliness among pensioners; believes that the decision to end free TV licences is as a result of the funding deal done between the Government and BBC in July 2015; and calls on the Government to reassume financial responsibility for free TV licences for all those aged 75 and over before the changes to eligibility come into effect in June 2020.'
