Union and about payments in response to exceptional market conditions affecting agricultural markets; to confer power to modify retained direct EU legislation relating to agricultural and rural development payments and public market intervention and private storage aid; to make provision about reports on food security; to make provision about the acquisition and use of information connected with food supply chains; to confer powers to make regulations about the imposition of obligations on business purchasers of agricultural products, marketing standards, organic products and the classification of carcasses; to make provision for the recognition of associations of agricultural producers which may benefit from certain exemptions from competition law; to make provision about fertilisers; to make provision about the identification and traceability of animals; to make provision about red meat levy in Great Britain; to make provision about agricultural tenancies; to confer power to make regulations about securing compliance with the WTO Agreement on Agriculture; and for connected purposes.

## BUSINESS OF THE DAY

### 1. QUEEN'S SPEECH (MOTION FOR AN ADDRESS): ADJOURNED DEBATE [15 JANUARY]

Until 5.00pm ([Standing Order No. 9\(3\)](#))

#### ■ Proposed subject for debate: Health and Social Care

That an Humble Address be presented to Her Majesty, as follows:

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled, beg leave to offer our humble thanks to Your Majesty for the Gracious Speech which Your Majesty has addressed to both Houses of Parliament.

#### **Amendment (a)**

##### **Caroline Lucas**

At end add 'but believes that the measures in the Gracious Speech fail to deliver the urgent transformative action which the environment and climate emergency demand; calls on your Government to enact a Green New Deal to restructure and decarbonise the economy and restore nature, based on alternative measures of economic success to GDP, and including public investment of 5 per cent of GDP on well-paid jobs and new industries country-wide; urges your Government to establish a Committee on Sustainability to advise on restoring and protecting ecosystems; and further urges your Government to prioritise climate justice, the reversal of social and economic inequality and the revitalisation of democracy, with legislation to end public spending on fossil fuel projects overseas, to contribute a fair share to international climate finance for mitigation and adaptation alongside loss and damage, and to deliver a universal basic income, proportional voting, votes at 16, citizens assemblies, and an end to privatising public services including the NHS and a reversal of cuts inflicted on local government since 2010.'
