#### OPPOSITION DAY (1ST ALLOTTED DAY)

- Policing and crime

**Jeremy Corbyn**

**Ms Diane Abbott**

**Louise Haigh**

**Andrew Gwynne**

**Valerie Vaz**

**Mr Nicholas Brown**

That this House notes that since 2010 police officer numbers have been reduced by almost 21,000; that some violent crime, including knife crime has risen to record levels; that youth services, including early intervention, have been decimated by a decade of austerity; that prosecution rates have fallen sharply; further notes that on current plans many police forces will still be left with fewer officers than in 2010; and therefore calls on the Government to recruit 2000 more frontline police officers than they plan and re-establish neighbourhood policing.

## ■ Homelessness

**Jeremy Corbyn**

**John Healey**

**Alex Cunningham**

**Sarah Jones**

**Margaret Greenwood**

**Mr Nicholas Brown**

That this House notes with concern that the number of people sleeping rough on the streets of England has more than doubled since 2010 and that the number of homeless children in temporary accommodation has risen to 127,000; further notes that the number of people dying homeless in England and Wales has risen to 726 people a year; recognises that by contrast there was an unprecedented fall in homelessness under a Labour Government by 2010; and calls on the Government to take action to end rough sleeping and tackle the root causes of rising homelessness starting by making 8,000 homes available for those with a history of rough sleeping, restoring funding for local housing allowance, and re-investing in local homelessness services, including £100m a year for emergency accommodation to save lives this winter.

**Daniel Zeichner**

**Rachael Maskell**

**Thangam Debbonaire**

**Mr Nicholas Brown**

That this House, whilst recognising that on leaving the EU the UK needs to shift agricultural support from land-based payments to the delivery of environmental and other public benefits, declines to give a Second Reading to the Agriculture Bill because it fails to provide controls on imported agricultural goods, such as chlorinated chicken or hormone treated beef, nor to guarantee the environmental, animal welfare and food safety standards which will apply.
