SHEWETH as follows:-

1. 2. The Bill is presented by Mr Secretary McLoughlin, supported by the Prime Minister, the Deputy Prime Minister, Mr Chancellor of the Exchequer, Secretary Theresa May, Secretary Vince Cable, Secretary Iain Duncan Smith, Secretary Eric Pickles, Secretary Owen Paterson, Secretary Edward Davey, and Mr Robert Goodwill.
3. Clauses 1 to 36 set out the Bill's objectives in relation to the construction and operation of the railway mentioned in paragraph 1 above. They include provision for the construction of works, highways and road traffic matters, the compulsory acquisition of land and other provisions relating to the use of land, planning permission, heritage issues, trees and noise. They include clauses which would disapply and modify various enactments relating to special categories of land including burial grounds, consecrated land, commons and open spaces, and other matters, including overhead lines, water, building regulations and party walls, street works and the use of lorries.

4. **Clauses 37 to 42 of the Bill deal with the regulatory regime for the railway.**
5. **Clauses 43 to 65 of the Bill set out a number of miscellaneous and general provisions, including provision for the appointment of a nominated undertaker ("the Nominated Undertaker") to exercise the powers under the Bill, transfer schemes, provisions relating to statutory undertakers and the Crown, provision about the compulsory acquisition of land for regeneration, reinstatement works and provision about further high speed railway works. Provision is also made about the application of Environmental Impact Assessment Regulations.**
6. **The works proposed to be authorised by the Bill are specified in clauses 1 and 2 of and Schedules 1 and 2 to the Bill. They consist of scheduled works, which are described in Schedule 1 to the Bill and other works, which are described in clause 2 of and Schedules 2 and 3 to the Bill.**

Your petitioner also currently works less than a 10 minutes' walk from her home. Your petitioner also currently suffering from arthritis and cervical spondylosis which will eventually leave her in more need of her only daughter's help. Your Petitioner's property will not be demolished as a result of the Bill but it is located right next door to those blocks that are proposed to be demolished and will therefore be located beside one of the construction sites for the Scheme. Your Petitioners' property is also on the main road which will be used by construction traffic during the construction of the Scheme and where the proposal for the fly over will be built**

10. **Your Petitioner object to the powers that are proposed to be provided by the Bill to the Secretary of State and the Nominated Undertaker and respectfully submit that the Bill should be amended or undertakings should be required to be given so that HS2 Limited, the Secretary of State and/or the Nominated Undertaker must review the construction strategy for the project and its related works activities by putting weight on their cumulative impacts on area communities, and come forward with necessary changes arising from that**

review before works packages design and tendering strategies have been finalised. our petitioner requests that if the scheme is to go ahead that she is offered a relocation in the same neighbour where she is been a tenant for some many years and the same distance from where she is at present from her only family and place of work.

11. There are other clauses and provisions of the Bill which, if passed into law as they now stand will prejudicially affect your Petitioners and their rights, interests and property and for which no adequate provision is made to protect your Petitioners.

YOUR PETITIONER therefore humbly pray your Honourable House that the Bill may not be allowed to pass into law as it now stands and that they may be heard by Themselves [their Counsel],[ Agents] and witnesses in support of the allegations of this Petition against so much of the Bill as affects the property, rights and interests of your Petitioners and in support of such other clauses and provisions as may be necessary or expedient for their protection, or that such other relief may be given to your Petitioner in the premises as your Honourable House shall deem meet.

AND your Petitioners will ever pray, &c.
