HIGH SPEED RAIL (LONDON - WEST MIDLANDS) BILL

PETITION OF SARAH CHESTER

Against the Bill – On Merits – By Counsel &c

IN PARLIAMENT

HOUSE OF COMMONS

SESSION 2013–14

HIGH SPEED RAIL (LONDON - WEST MIDLANDS) BILL

PETITION

Against – on merits – Praying to be heard by Counsel, &c.

To the Honourable the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled.

THE HUMBLE PETITION of Sarah Chester

SHEWETH as follows:-

1. A Bill (hereinafter referred to as “the Bill”) has been introduced and is now pending in your honourable House entitled “A Bill to make provision for a railway between Euston in London and a junction with the West Coast Main Line at Handsacre in Staffordshire, with a spur from Water Orton in Warwickshire to Curzon Street in Birmingham; and for connected purposes”
2. The Bill is presented by Mr Secretary McLoughlin, supported by the Prime Minister, the Deputy Prime Minister, Mr Chancellor of the Exchequer, Secretary Theresa May, Secretary Vince Cable, Secretary Iain Duncan Smith, Secretary Eric Pickles, Secretary Owen Paterson, Secretary Edward Davey, and Mr Robert Goodwill.
3. Clauses 1 to 36 set out the Bill's objectives in relation to the construction and operation of the railway mentioned in paragraph 1 above. They include provision for the construction of works, highways and road traffic matters, the compulsory acquisition of land and other provisions relating to the use of land, planning permission, heritage issues, trees and noise. They include clauses which would

disapply and modify various enactments relating to special categories of land including burial grounds, consecrated land, commons and open spaces, and other matters, including overhead lines, water, building regulations and party walls, street works and the use of lorries.

4. Clauses 37 to 42 of the Bill deal with the regulatory regime for the railway.
5. Clauses 43 to 65 of the Bill set out a number of miscellaneous and general provisions, including provision for the appointment of a nominated undertaker ("the Nominated Undertaker") to exercise the powers under the Bill, transfer schemes, provisions relating to statutory undertakers and the Crown, provision about the compulsory acquisition of land for regeneration, reinstatement works and provision about further high speed railway works. Provision is also made about the application of Environmental Impact Assessment Regulations.
6. The works proposed to be authorised by the Bill are specified in clauses 1 and 2 of and Schedules 1 and 2 to the Bill. They consist of scheduled works, which are described in Schedule 1 to the Bill and other works, which are described in clause 2 of and Schedules 2 and 3 to the Bill.
7. Your Petitioner, Sarah Chester, of 30 Oakwood Close Church Fenton, has lived in Church Fenton for 18 years, for the past 14 years residing at 30 Oakwood Close with Your Petitioner's husband and, more recently, children Gabriella & Katie Chester aged 8 and 6 respectively.

Your petitioner's children attend school in Church Fenton and will be attending high school in either Sherburn in Elmet, Tadcaster or York. Your Petitioner currently works in York and commute via train most days.

Your Petitioner and family, rely heavily on the local transport system and are concerned about the reduction in the number of trains from Church Fenton to either Leeds or York and beyond.

Your Petitioner and family also travel between villages by road, and as such the road closures planned for the construction phases of HS2 will impact our lives dramatically.

Your Petitioner's property will not be demolished by HS2 the environmental impact on Church Fenton will have a negative impact on our general health.

Your Petitioner and their rights are injuriously affected by the Bill, to which your Petitioner object for reasons amongst others, hereinafter appearing.

8. The Bill includes powers for the Secretary of State and the Nominated Undertaker to do construction works which are estimated to take 10 years to complete and will include lorry movements, the creation of dust and noise, poor air quality, and 24 hour working. This will inevitably lead to severe sleep deprivation for my family and considerable health concerns as myself and one of my children already have asthma and respiratory problems.
9. Your Petitioners object to the powers that are proposed to be provided by the Bill to the Secretary of State and the Nominated Undertaker and respectfully submit that the Bill should be amended or undertakings should be required so that HS2 Limited, the Secretary of State and/or the Nominated Undertaker must review the construction strategy for the project and its related works by considering their cumulative impacts on communities. And they need to suggest necessary changes from the results of that review before works design and construction strategies have been finalised or construction contractors employed.
10. For the foregoing and connected reasons your Petitioner respectfully submit that, unless the Bill is amended as proposed above, so far affecting your Petitioner should not be allowed to pass into law.
11. There are other clauses and provisions of the Bill which, if passed into law as they now stand will prejudicially affect your Petitioner and their rights, interests and property and for which no adequate provision is made to protect your Petitioner.

YOUR PETITIONER therefore humbly pray your Honourable House that the Bill may not be allowed to pass into law as it now stands and that they may be heard by their Counsel, Agents and witnesses in support of the allegations of this Petition against so much of the Bill as affects the property, rights and interests of your Petitioner and in support of such other clauses and provisions as may be necessary or expedient for their protection, or that such other relief may be given to your Petitioner in the premises as your Honourable House shall deem meet.

AND your Petitioner will ever pray, &c.
