Dear Sir,

**RE: Dual Nationality – United Kingdom & India**

In the past it has always been the practice for us to impound and return to your office Indian passports that are held by those applicants who apply for and are granted British passports.

With the introduction of your new dual nationality legislation, which I believe came into place in November 2004, could you please confirm if India now recognises dual citizenship with the United Kingdom and/or if you still wish us to return Indian passports to you.

Many thanks.

Yours sincerely,

Mrs S Costello  
 Chief Passport Officer
