PART 1

THE MARINE MANAGEMENT ORGANISATION

CHAPTER 1

ESTABLISHMENT

1 The Marine Management Organisation

(1) There is to be a body known as the Marine Management Organisation (“the MMO”).

(2) The MMO is to have the functions conferred on it by or under this Act or any other enactment.

(3) Schedule 1 contains further provisions about the MMO.

(4) Schedule 2 contains minor and consequential amendments relating to the MMO.
2 General objective

(1) It is the duty of the MMO to secure that the MMO functions are so exercised that the carrying on of activities by persons in the MMO’s area is managed, regulated or controlled—
   (a) in a manner which is consistent and co-ordinated (see subsection (2)), and
   (b) with the objective of making a contribution to the achievement of sustainable development (see subsection (3)).

Any reference in this Act to the MMO’s “general objective” is a reference to the duty imposed on the MMO by this subsection.

(2) In this section—
   “consistent and co-ordinated” includes taking into account the effect (if any) that decisions in respect of—
   (a) any particular part of the MMO’s area, or
   (b) the carrying on of any activity within that area,
   will have on any other part of that area or the carrying on of any other activity in that area;
   “the MMO’s area” means those parts of the UK marine area, or of the United Kingdom, where MMO functions are exercisable;
   “MMO functions” means functions exercisable by or on behalf of the MMO.

(3) The Secretary of State is to give the MMO guidance as to the manner in which the MMO is to seek to secure that the contribution to the achievement of sustainable development mentioned in subsection (1)(b) is made.

(4) The Secretary of State must consult the MMO before giving any guidance under subsection (3).

   (a) the functions of the MMO, and
   (b) the resources available, or likely to be available, to the MMO.

(6) The MMO must publish, in such manner as it may determine, any guidance given to it under this section.

(7) The MMO must provide any person on request with a copy of the whole or any part of any such guidance.

3 Management

(1) The MMO is to use its best endeavours to meet such objectives as the Secretary of State may from time to time set with regard to the quality and effectiveness of its performance.

(2) Subsection (6) of section 24 of the Legislative and Regulatory Reform Act 2006 (c. 51) (consultation) does not apply in relation to an order under subsection (2) of that section specifying regulatory functions of the MMO as functions to which sections 21 and 22 of that Act (principles and code of practice) apply.

(3) For subsection (3) substitute—

“(3) The Secretary of State may by order determine, or make provision for determining, for the purposes of the definitions of “Wales” and the “Welsh zone”, any boundary between waters which are to be treated as parts of the sea adjacent to Wales, or sea within British fishery limits adjacent to Wales, and those which are not.”

(4) Part 2 of Schedule 4 (which contains amendments consequential on this section) has effect.

(5) The Secretary of State may by order modify or amend—

PART 3

MARINE PLANNING

CHAPTER 1

MARINE POLICY STATEMENTS

42 Marine policy statements

(1) For the purposes of this Act a “marine policy statement” (an “MPS”) is a document—

(a) in which the policy authorities that prepare and adopt it state general policies of theirs (however expressed) for contributing to the achievement of sustainable development in the UK marine area,

(b) which has been prepared and adopted by those authorities in accordance with Schedule 5, and

(c) which states that it has been prepared and adopted for the purposes of this section.

(2) An MPS may also include statements or information relating to policies contained in the MPS.
(3) If to any extent a policy stated in an MPS conflicts with any other statement or information in the MPS, that conflict must be resolved in favour of the policy.

(4) In this Part “policy authority” means any of the following—
   (a) the Secretary of State;
   (b) the Scottish Ministers;
   (c) the Welsh Ministers;
   (d) the Department of the Environment in Northern Ireland.

(5) Any reference in this Part to an MPS being adopted by any policy authorities is a reference to the final text of the MPS being adopted by those authorities in accordance with Schedule 5.

43 Preparation and coming into force of statement

(1) An MPS may only be prepared by—
   (a) all the policy authorities, acting jointly,
   (b) the Secretary of State and any one or more other policy authorities, acting jointly, or
   (c) the Secretary of State.

(2) An MPS must not be prepared by the Secretary of State acting alone under subsection (1)(c) unless the Secretary of State has first invited each of the other policy authorities to participate in the preparation of an MPS.

(3) A later MPS replaces an earlier MPS, whether or not the later MPS is prepared and adopted by the same policy authorities that prepared and adopted the earlier MPS.

(4) An MPS comes into effect when it has been published in accordance with Schedule 5.

44 Review of statement

The policy authorities that prepared and adopted an MPS must review the MPS whenever they consider it appropriate to do so.

45 Amendment of statement

(1) An MPS may be amended from time to time by the policy authorities which prepared and adopted it.

(2) Any amendment of an MPS must be prepared and adopted in accordance with Schedule 5.

(3) Any amendment of an MPS comes into effect when it has been published in accordance with that Schedule.

(4) Any reference in this Part to an amendment of an MPS being adopted by any policy authorities is a reference to the final text of the amendment being adopted by those authorities in accordance with that Schedule.

(5) Any reference in this Act to an MPS includes a reference to an MPS as amended.
46 Withdrawal of, or from, statement

(1) If any of the policy authorities that prepared and adopted an MPS—
   (a) comes to the conclusion that it desires to withdraw from the MPS, and
   (b) publishes notice of that conclusion in each of the Gazettes,
the authority is to be regarded as having withdrawn from the MPS as from the
date on which the notice is so published.

(2) Before arranging to publish any such notice, the policy authority must inform
each of the other policy authorities that it intends to do so.

(3) If the Secretary of State withdraws from an MPS, the MPS is withdrawn as from
the date of the Secretary of State’s withdrawal.

(4) If any other policy authority withdraws from an MPS, then, as from the date of
the authority’s withdrawal, the authority is to be treated for the purposes of
this Part as if it were not one of the policy authorities which adopted and
published the MPS.

(5) If the Secretary of State withdraws from an MPS, the Secretary of State must
take such further steps as the Secretary of State considers appropriate to secure
that the withdrawal of the MPS is brought to the attention of interested persons.

(6) If any other policy authority withdraws from an MPS, it must take such further
steps as it considers appropriate to secure that its withdrawal from the MPS is
brought to the attention of interested persons.

(7) An MPS which is withdrawn by virtue of subsection (3) ceases to have effect as
from the date of the withdrawal.

(8) Where a policy authority withdraws from an MPS, or an MPS is withdrawn by
virtue of the withdrawal of the Secretary of State, the withdrawal does not
affect—
   (a) the continuing validity or effect of any marine plan for any marine plan
       area, or
   (b) until such time as a new MPS governs marine planning for a marine
       plan area, the construction of any marine plan for that marine plan area.

(9) In this section—
   “the Gazettes” means—
   (a) the London Gazette,
   (b) the Edinburgh Gazette, and
   (c) the Belfast Gazette;
   “interested persons” means—
   (a) any persons appearing to the policy authority to be likely to be
       interested in, or affected by, the withdrawal of or from the MPS;
   (b) members of the general public.
CHAPTER 2

MARINE PLANS

47 Marine planning regions

(1) The UK marine area comprises the following marine planning regions—
   (a) the English inshore region;

   (c) the Scottish inshore region;
   (d) the Scottish offshore region;
   (e) the Welsh inshore region;
   (f) the Welsh offshore region;
   (g) the Northern Ireland inshore region;
   (h) the Northern Ireland offshore region.

(2) The definitions of those regions can be found in section 312.

48 Marine plan authorities

(1) There is to be a marine plan authority for each marine planning region other than—
   (a) the Scottish inshore region;
   (b) the Northern Ireland inshore region.

(2) The marine plan authority for each marine planning region is as follows—
   (a) for the English inshore region, the Secretary of State;

   (c) for the Scottish offshore region, the Scottish Ministers;
   (d) for the Welsh inshore region, the Welsh Ministers;
   (e) for the Welsh offshore region, the Welsh Ministers;
   (f) for the Northern Ireland offshore region, the Department of the Environment in Northern Ireland.

(3) References to a marine plan authority’s region are to be construed accordingly.

49 Marine plans for marine plan areas

(1) A marine plan authority may prepare a marine plan for an area (a “marine plan area”) consisting of the whole or any part of its marine planning region.

(2) A “marine plan” is a document which—
   (a) has been prepared and adopted for a marine plan area by the appropriate marine plan authority in accordance with Schedule 6,
   (b) states the authority’s policies (however expressed) for and in connection with the sustainable development of the area, and
   (c) states that it is a marine plan prepared and adopted for the purposes of this section.

(3) For the purposes of this section “the appropriate marine plan authority” in the case of any marine plan area is the marine plan authority in whose region the marine plan area lies.
(4) A marine plan must identify (by means of a map or otherwise) the marine plan area for which it is a marine plan.

(5) A marine plan must be in conformity with any MPS which governs marine planning for the marine plan area unless relevant considerations indicate otherwise.

(6) For the purposes of this Part, an MPS “governs marine planning” for an area if—
   (a) it has been adopted by the policy authority which is the marine plan authority whose region consists of or includes the area,
   (b) it has been published in accordance with paragraph 11 of Schedule 5,
   (c) it has not been replaced or withdrawn, and
   (d) the policy authority mentioned in paragraph (a) has not withdrawn from it.
As respects paragraphs (c) and (d), see also section 46(8) (effect of withdrawal of, or from, an MPS).

(7) A marine plan must state whether it includes provision relating to retained functions.

(8) A marine plan may also include statements or information relating to policies contained in the plan.

(9) If to any extent a policy stated in a marine plan conflicts with any other statement or information in the plan, that conflict must be resolved in favour of the policy.

(10) A marine plan comes into effect when it has been published by the marine plan authority that prepared and adopted it in accordance with Schedule 6.

50 Amendment of marine plan

(1) A marine plan may be amended from time to time by the marine plan authority for the marine planning region in which the marine plan area lies.

(2) The provisions of this Part that relate to the preparation, adoption, publication and coming into force of a marine plan also apply in relation to amendments of a marine plan.

(3) Any reference in this Act to a marine plan includes a reference to a marine plan as amended.

51 Withdrawal of marine plan

(1) A marine plan may be withdrawn at any time, but only in accordance with the following provisions of this section.

(2) In this section—
   (a) subsection (3) has effect where a marine plan authority decides to withdraw a marine plan;
   (b) subsection (4) has effect where the Secretary of State decides to withdraw agreement to a marine plan;
   (c) subsections (5) and (6) make supplementary provision.

(3) If a marine plan authority decides to withdraw a marine plan—
(a) it is to publish notice of the withdrawal of the plan in each appropriate Gazette, and
(b) the marine plan is withdrawn as from the date on which the notice is so published.

(4) If at any time the Secretary of State decides to withdraw agreement previously given under paragraph 15 of Schedule 6 to a marine plan—
(a) the Secretary of State is to give notice of that decision to the marine plan authority,
(b) within 7 days of receiving that notice, the marine plan authority must publish notice of the withdrawal of the marine plan in each appropriate Gazette, and
(c) the marine plan is withdrawn as from the date on which the notice is so published.

(5) Where a marine plan is withdrawn under this section, the marine plan authority must take such further steps as it considers appropriate to secure that the withdrawal of the marine plan is brought to the attention of interested persons.

(6) In this section—
“appropriate Gazette” means—
(a) the London Gazette, if the marine plan is for a marine plan area in the English inshore region or the Welsh inshore region;
(b) in any other case, each of the Gazettes;
“the Gazettes” means—
(a) the London Gazette;
(b) the Edinburgh Gazette; and
(c) the Belfast Gazette;
“interested persons” means—
(a) any persons appearing to the marine plan authority to be likely to be interested in, or affected by, the withdrawal of the marine plan, and
(b) members of the general public.

52 Duty to keep relevant matters under review

(1) A marine plan authority must keep under review the matters which may be expected to affect the exercise of its functions relating to—
(a) the identification of areas which are to be marine plan areas, and
(b) the preparation, adoption, review, amendment or withdrawal of marine plans for those areas.

The reference in paragraph (b) to review is a reference to the functions of the marine plan authority under section 58.

(2) The matters include—
(a) the physical, environmental, social, cultural and economic characteristics of the authority’s region and of the living resources which the region supports;
(b) the purposes for which any part of the region is used;
(c) the communications, energy and transport systems of the region;
(d) any other considerations which may be expected to affect those matters.
(3) The matters also include—
   (a) any changes which could reasonably be expected to occur in relation to any such matter;
   (b) the effect that any such changes may have in relation to the sustainable development of the region, its natural resources, or the living resources dependent on the region.

**CHAPTER 3**

**DELEGATION OF FUNCTIONS RELATING TO MARINE PLANS**

53 Delegation of functions relating to marine plans

(1) A marine plan authority may give directions under this section.

(2) A direction under this section is a direction which—
   (a) designates any of the delegable marine plan functions which would (apart from directions under this section) be exercisable by or in relation to the authority, and
   (b) directs that those functions, instead of being so exercisable, are to be exercisable by or in relation to such public body, acting on behalf of the authority, as is designated in the direction.

(3) An authority which gives a direction under this section may do so only with the consent of the public body.

(4) The public body—

(7) No direction may be given under this section in respect of any function of the Secretary of State of agreeing under paragraph 15 of Schedule 6 to the adoption of a marine plan by another marine plan authority.
54 Directions under section 53: supplementary provisions

(1) An authority which gives a direction under section 53 must publish the direction in a way calculated to bring the direction to the attention of persons likely to be interested in or affected by it.

(2) For so long as a direction given and published under that section remains in force, the designated functions are exercisable by or in relation to the public body acting on behalf of the authority (and are not exercisable by or in relation to the authority).

(3) Subsection (2) is subject to any provision to the contrary which—
   (a) is made by the direction, or

CHAPTER 4

IMPLEMENTATION AND EFFECT

Decisions affected by an MPS or marine plan

56 Decisions affected by marine policy documents

(1) A public authority must take any authorisation or enforcement decision in accordance with the appropriate marine policy documents, unless relevant considerations indicate otherwise.

(2) If a public authority takes an authorisation or enforcement decision otherwise than in accordance with the appropriate marine policy documents, the public authority must state its reasons.
(3) A public authority must have regard to the appropriate marine policy documents in taking any decision—
   (a) which relates to the exercise of any function capable of affecting the whole or any part of the UK marine area, but
   (b) which is not an authorisation or enforcement decision.

(4) An “authorisation or enforcement decision” is any of the following—
   (a) the determination of any application (whenever made) for authorisation of the doing of any act which affects or might affect the whole or any part of the UK marine area,
   (b) any decision relating to any conditions of such an authorisation,

   (e) any decision relating to the enforcement of any prohibition or restriction (whenever imposed) on the doing of any act, or of any act of any description, falling within paragraph (a),

but does not include any decision on an application for an order granting development consent under the Planning Act 2008 (c. 29) (relating to which subsection (3) has effect accordingly).

(5) In section 104(2) of the Planning Act 2008 (matters to which Panel or Council must have regard in deciding application for order granting development consent) after paragraph (a) insert—
   “(aa) the appropriate marine policy documents (if any), determined in accordance with section 57 of the Marine and Coastal Access Act 2009;”.

(6) In this section—
   “act” includes omission;
   “appropriate marine policy document” is to be read in accordance with section 57;
   “authorisation” means any approval, confirmation, consent, licence, permission or other authorisation (however described), whether special or general.

57 The appropriate marine policy documents

(1) This section has effect for the purpose of determining what are the appropriate marine policy documents for a public authority taking a decision falling within subsection (1) or (3) of section 56.

(2) For that purpose—
   (a) subsection (3) has effect, subject to subsection (4), for determining whether any marine plan is an appropriate marine policy document, and
   (b) subsection (5) has effect for determining whether an MPS is an appropriate marine policy document.

(3) To the extent that the decision relates to a marine plan area, any marine plan in force for that area is an appropriate marine policy document.
(4) A marine plan for an area in a devolved marine planning region is an appropriate marine policy document in relation to the exercise of retained functions by a public authority only if—
   (a) it contains a statement under section 49(7) that it includes provision relating to retained functions,
   (b) it was adopted with the agreement of the Secretary of State under paragraph 15(2) of Schedule 6, and
   (c) it was prepared and adopted at a time when an MPS was in effect which governed marine planning for the marine planning region.

(5) Any MPS which is in effect is an appropriate marine policy document for each of the following public authorities—
   (a) any Minister of the Crown;
   (b) any government department;
   (c) any public authority, so far as carrying out functions in relation to the English inshore region or the English offshore region;
   (d) any public authority, so far as carrying out retained functions in relation to a devolved marine planning region;
   (e) any devolved policy authority which adopted the MPS and has not withdrawn from it;
   (f) any public authority, so far as carrying out devolved functions in relation to a marine planning region whose marine plan authority is a policy authority which adopted the MPS.

(6) For the purposes of subsection (5)(f)—
   (a) the Scottish Ministers shall be treated as if they were the marine plan authority for the Scottish inshore region, and
   (b) the Department of the Environment in Northern Ireland shall be treated as if it were the marine plan authority for the Northern Ireland inshore region.

(7) For the purposes of this Part “retained functions” means—
   (a) as respects the Scottish inshore region or the Scottish offshore region, functions relating to reserved matters, within the meaning of the Scotland Act 1998 (c. 46),
   (b) as respects the Welsh inshore region or the Welsh offshore region, functions of a Minister of the Crown which have not been transferred to the Welsh Ministers by or under the Government of Wales Act 2006 (c. 32),
   (c) as respects the Northern Ireland inshore region or the Northern Ireland offshore region, functions relating to excepted or reserved matters, within the meaning of the Northern Ireland Act 1998 (c. 47),

but this is subject to the exceptions provided by subsection (8).

(8) The following are not retained functions—
   (a) as respects the Scottish inshore region or the Scottish offshore region, any function exercisable by the Scottish Ministers or any other Scottish public authority;
   (b) as respects the Welsh inshore region and the Welsh offshore region, any function exercisable by the Welsh Ministers or any other Welsh public authority;
Monitoring and reporting

58 Monitoring of, and periodical reporting on, implementation

(1) For so long as a marine plan is in effect, the marine plan authority must keep under review each of the matters in subsection (2).

(2) The matters are—
   (a) the effects of the policies in the marine plan;
   (b) the effectiveness of those policies in securing that the objectives for which the marine plan was prepared and adopted are met;
   (c) the progress being made towards securing those objectives;
   (d) if an MPS governs marine planning for the marine plan authority’s region, the progress being made towards securing that the objectives for which the MPS was prepared and adopted are met in that region.
(3) The marine plan authority must from time to time prepare and publish a report on the matters kept under review pursuant to subsection (1).

(4) After publishing a report under subsection (3), the marine plan authority must decide whether or not to amend or replace the marine plan.

(5) The first report must be published before the expiration of 3 years beginning with the date on which the marine plan was adopted.

(6) After the publication of the first report, successive reports must be published at intervals of no more than 3 years following the date of publication of the previous report.

(7) Any reference in this section to the replacement of a marine plan is a reference to—
   (a) preparing and adopting, in accordance with the provisions of this Part, a fresh marine plan (whether or not for the identical marine plan area), and
   (b) if the marine plan authority has not already done so, withdrawing the marine plan that is to be replaced.

(6) Before issuing a remediation notice, the enforcement authority must consult the person to whom it is proposed to be issued as to the steps or, as the case may be, the sum to be specified in the notice.

(7) A remediation notice—
   (a) must state the enforcement authority’s grounds for believing that each of subsections (3) to (5) is satisfied;

Civil sanctions

90  **Fixed monetary penalties**

(1) The appropriate licensing authority for any area may by order make provision to confer on the appropriate enforcement authority for that area the power by notice to impose on a person in relation to an offence under this Part a fixed monetary penalty.

(2) Provision under this section may only confer such a power in relation to a case where the enforcement authority is satisfied beyond reasonable doubt that the person has committed the offence.

(3) For the purposes of this Part a “fixed monetary penalty” is a requirement to pay to the enforcement authority a penalty of a prescribed amount.

(4) The amount of the fixed monetary penalty that may be imposed in relation to an offence may not exceed the maximum amount of the fine that may be imposed on summary conviction for that offence.

(5) In this section “prescribed” means prescribed in an order made under this section.

91  **Fixed monetary penalties: procedure**

(1) Provision under section 90 must secure the results in subsection (2).

(2) Those results are that—

(a) where the enforcement authority proposes to impose a fixed monetary penalty on a person, the authority must serve on that person a notice of what is proposed (a “notice of intent”) which complies with subsection (3),

(b) the notice of intent also offers the person the opportunity to discharge the person’s liability for the fixed monetary penalty by payment of a prescribed sum (which must be less than or equal to the amount of the penalty),

(c) if the person does not so discharge liability—
   (i) the person may make written representations and objections to the enforcement authority in relation to the proposed imposition of the fixed monetary penalty, and
   (ii) the enforcement authority must at the end of the period for making representations and objections decide whether to impose the fixed monetary penalty,

(d) where the enforcement authority decides to impose the fixed monetary penalty, the notice imposing it ("the final notice") complies with subsection (5), and

(e) the person on whom a fixed monetary penalty is imposed may appeal against the decision to impose it.

(3) To comply with this subsection the notice of intent must include information as to—

(a) the grounds for the proposal to impose the fixed monetary penalty,

(b) the effect of payment of the sum referred to in subsection (2)(b),

(c) the right to make representations and objections,
(d) the circumstances in which the enforcement authority may not impose the fixed monetary penalty,
(e) the period within which liability to the fixed monetary penalty may be discharged, which must not exceed the period of 28 days beginning with the day on which the notice of intent was received, and
(f) the period within which representations and objections may be made, which must not exceed the period of 28 days beginning with the day on which the notice of intent was received.

(4) Provision pursuant to subsection (2)(c)(ii)—
(a) must secure that the enforcement authority may not decide to impose a fixed monetary penalty on a person where the authority is satisfied that the person would not, by reason of any defence, be liable to be convicted of the offence in relation to which it was imposed, and
(b) may include provision for other circumstances in which the enforcement authority may not decide to impose a fixed monetary penalty.

(5) To comply with this subsection the final notice referred to in subsection (2)(d) must include information as to—
(a) the grounds for imposing the penalty,
(b) how payment may be made,
(c) the period within which payment must be made,
(d) any early payment discounts or late payment penalties,
(e) rights of appeal, and
(f) the consequences of non-payment.

(6) Provision pursuant to subsection (2)(e) must secure that the grounds on which a person may appeal against a decision of the enforcement authority include the following—
(a) that the decision was based on an error of fact;
(b) that the decision was wrong in law;
(c) that the decision was unreasonable.

(7) In this section “prescribed” means prescribed in an order made under section 90.

92 Variable monetary penalties

(1) The appropriate licensing authority for any area may by order make provision to confer on the appropriate enforcement authority for that area the power by notice to impose on a person in relation to an offence under this Part a variable monetary penalty.

(2) Provision under this section may only confer such a power in relation to a case where the enforcement authority is satisfied beyond reasonable doubt that the person has committed the offence.

(3) For the purposes of this Part a “variable monetary penalty” is a penalty of such amount as the enforcement authority may in each case determine.

93 Variable monetary penalties: procedure

(1) Provision under section 92 must secure the results in subsection (2).
(2) Those results are that—
   (a) where the enforcement authority proposes to impose a variable monetary penalty on a person, the enforcement authority must serve on that person a notice (a “notice of intent”) which complies with subsection (3),
   (b) that person may make written representations and objections to the enforcement authority in relation to the proposed imposition of the penalty,
   (c) after the end of the period for making such representations and objections, the enforcement authority must decide whether to impose the penalty,
   (d) where the enforcement authority decides to impose a penalty, the notice imposing it (the “final notice”) complies with subsection (6), and
   (e) the person on whom a penalty is imposed may appeal against the decision to impose it.

(3) To comply with this subsection the notice of intent must include information as to—
   (a) the grounds for the proposal to impose the penalty,
   (b) the right to make representations and objections,
   (c) the circumstances in which the enforcement authority may not impose the penalty, and
   (d) the period within which representations and objections may be made, which may not be less than the period of 28 days beginning with the day on which the notice of intent is received.

(4) Provision pursuant to subsection (2)(c)—
   (a) must secure that the enforcement authority may not decide to impose a penalty on a person where the enforcement authority is satisfied that the person would not, by reason of any defence raised by that person, be liable to be convicted of the offence in relation to which the penalty is proposed to be imposed, and
   (b) may include provision for other circumstances in which the enforcement authority may not decide to impose a penalty.

(5) Provision under subsection (2)(c) must also include provision for—
   (a) the person on whom the notice of intent is served to be able to offer an undertaking as to action to be taken by that person (including the payment of a sum of money) to benefit any person affected by the offence,
   (b) the enforcement authority to be able to accept or reject such an undertaking, and
   (c) the enforcement authority to take any undertaking so accepted into account in its decision.

(6) To comply with this subsection the final notice referred to in subsection (2)(d) must include information as to—
   (a) the grounds for imposing the penalty,
   (b) how payment may be made,
   (c) the period within which payment must be made,
   (d) any early payment discounts or late payment penalties,
   (e) rights of appeal, and
   (f) the consequences of non-payment.
(7) Provision pursuant to subsection (2)(e) must secure that the grounds on which a person may appeal against a decision of the enforcement authority include the following—
   (a) that the decision was based on an error of fact;
   (b) that the decision was wrong in law;
   (c) that the amount of the penalty is unreasonable;
   (d) that the decision was unreasonable for any other reason.

94 Further provision about civil sanctions

Schedule 7 (which makes further provision about civil sanctions) has effect.

CHAPTER 4

DELEGATION

95 Delegation of functions relating to marine licensing

(1) The appropriate licensing authority for an area may make an order which—
   (a) designates any of the delegable marine licensing functions which would (apart from any order under this section) be exercisable by or in relation to the appropriate licensing authority or the appropriate enforcement authority for that area, and
   (b) provides that those functions, instead of being so exercisable, are to be exercisable by or in relation to such person, acting on behalf of the licensing authority or (as the case may be) the enforcement authority, as is designated in the order.

(2) The power to make an order under this section includes power to make provision in the order conferring on the person designated ("the delegate"), so far as acting on behalf of an enforcement authority, any power which the appropriate licensing authority may confer on an enforcement authority by an order under section 90 or 92 (fixed or variable monetary penalties).

(3) An authority which makes an order under this section may do so only with the consent of the delegate.

(4) The delegate—
   (a) must comply with the order, and
   (b) is to be taken to have all the powers necessary to do so.

(5) In this section "delegable marine licensing functions" means—
   (a) functions of a licensing authority under this Part, other than excepted functions;
   (b) functions of an enforcement authority under this Part.

(6) The excepted functions are functions under—
   (a) section 63(3) (altering the list of licensable marine activities);
   (b) section 64(2) (making regulations regarding the fee for an application);
   (c) section 66(6) (making regulations as to the procedure for applications);
   (d) section 71(1) and (4) (making orders specifying activities which do not require a marine licence and consulting in relation to such orders);
(e) sections 75(2) and 76(2) (making orders providing for special procedures for certain applications);
(f) sections 90 and 92 (making orders conferring powers to impose civil sanctions);
(g) this section and section 97;
(h) section 98(3) and (5)(a) (making regulations regarding the register and determining questions of non-disclosure on the grounds of national security);
(i) section 105 (making regulations regarding appeals against notices issued under sections 87, 88 and 99).

96 Orders under section 95: supplementary provisions

(1) For so long as an order made under section 95 remains in force, the designated functions are exercisable by or in relation to the delegate acting on behalf of the licensing authority or, as the case may be, the enforcement authority (and are not exercisable by or in relation to the authority).

(2) Subsection (1) is subject to any provision to the contrary which is included in the order.

(3) An order under section 95 may include—
  (a) such terms or conditions,
  (b) such obligations or requirements,
  (c) such financial provisions,

as the authority making the order may determine.

(4) The provision that may be made under subsection (3) includes, in particular, provision (where appropriate) as to—
  (a) the manner in which the delegate is to exercise any of the functions;
  (b) the form and manner in which licence applications must be made to the delegate;
  (c) the persons to whom notice of an application should be published under section 65, and the circumstances in which such notice should not be published;
  (d) matters (in addition to those set out in section 66) to which the delegate must have regard in determining applications for licences;
  (e) the circumstances in which the delegate must exercise the power to consult under section 66(4), and the persons who must or may be consulted;
  (f) the form and content of any licence granted;
  (g) appeals from any decision of the delegate (whether to the licensing authority or any other person);
  (h) any other provision that may be made by virtue of section 66(6).

(5) An order under section 95 may make different provision for different cases, different areas or different persons.

(6) Where an order has been made under section 95 that a person other than the appropriate licensing authority is to grant licences—
  (a) that other person may (in accordance with subsections (1) to (3) and (7) of section 69) vary, suspend, revoke or transfer a licence granted before the making of the order, and
(b) any reference in those subsections to a licence granted by a licensing authority includes a reference to a licence granted by that other person.

97 Directions to persons as regards performance of delegated functions

(1) This section applies where any functions are exercisable by or in relation to a person by virtue of an order made under section 95 by a licensing authority.

(2) The authority may from time to time give directions to the person with respect to the performance of the functions.

(3) A person to whom directions are given under this section must comply with the directions.

(4) An authority which gives a direction under this section must publish the direction in a manner likely to bring the direction to the attention of persons likely to be affected by it.

CHAPTER 5
Supplementary

Register

98 Register

(1) Each licensing authority must maintain, as respects activities in relation to which it is the appropriate licensing authority and licences for those activities, a register of licensing information.

(2) The register must contain prescribed particulars of or relating to—
   (a) applications for licences;
   (b) licences granted;
   (c) variations of licences;
   (d) revocations of licences;
   (e) information supplied in connection with any licence in pursuance of any provision of this Part;
   (f) convictions for any offence under this Part;
   (g) any other action taken to enforce any provision of this Part;
   (h) occasions on which any remedial action has been taken;
   (i) such other matters relating to licences or the licensable activities as may be prescribed.

(3) The register must be maintained in accordance with regulations made by the appropriate licensing authority.

(4) Each licensing authority must make arrangements—
   (a) for its register to be available for inspection at all reasonable times by members of the public free of charge;
   (b) for copies of entries in its register to be supplied, on request, to members of the public on payment of a reasonable charge.

(5) Information must not appear in the register if—
(a) the Secretary of State determines that its disclosure in the register would be contrary to the interests of national security, or
(b) the appropriate licensing authority determines that its disclosure in the register would be unduly prejudicial to any person’s commercial interests.

(6) The appropriate licensing authority must review a determination to exclude information under subsection (5)(b) every four years.

(7) On a review under subsection (6) the authority must include the information in the register unless, on the application of any person to whom the information relates, the authority determines that it should continue to be excluded.

(8) Where information of any description is excluded from a register by virtue of subsection (5)(b), a statement must be entered in the register indicating the existence of information of that description.

(9) In this section “prescribed” means prescribed in regulations made under this section.

Stop notices and emergency safety notices

Notice to stop activity causing serious harm etc

(1) If it appears to the appropriate enforcement authority that subsections (3) and (4) are satisfied in relation to a person carrying on an activity in its area, it may issue a stop notice to that person.

(2) A stop notice is a notice prohibiting a person from carrying on an activity specified in the notice.

(3) This subsection is satisfied if a person is carrying on, or is likely to carry on, a licensable marine activity (whether or not in accordance with a marine licence).

(4) This subsection is satisfied if the carrying on of the activity to be specified in the notice—
   (a) is causing or will cause any of the effects in subsection (5), or
   (b) is creating or will create an imminent risk of any of those effects.

(5) The effects are—
   (a) serious harm to the environment;
   (b) serious harm to human health;
   (c) serious interference with legitimate uses of the sea.

(6) A stop notice (in addition to specifying the activity to which it relates)—
   (a) must state the enforcement authority’s grounds for believing that subsections (3) and (4) are satisfied;
   (b) must state the date and time from which the prohibition is to take effect (which may be a time on the date of the notice but must allow a period for compliance which is reasonable in all the circumstances of the case);
   (c) may require the person to take such steps as the authority considers appropriate to ensure that the cessation of the activity takes place safely.

(7) Except in a case falling within subsection (9), a stop notice—
(a) ceases to have effect at the end of the period of 7 days (or such shorter period as may be specified in the notice) beginning with the date on which the prohibition takes effect, but
(b) may be renewed for a period specified in a further notice.

(8) A stop notice may be renewed more than once under subsection (7)(b), but not so that it has effect for an aggregate period exceeding 35 days.

(9) If a stop notice relating to a licensable marine activity is issued to a person who does not hold a marine licence authorising that activity, the stop notice may remain in force until such time (if any) as such a licence is granted to that person.

100 Further provision as to stop notices

(1) Any stop notice issued by an enforcement authority—
(a) must be served on any person carrying on or in control of the activity to which the notice relates, and
(b) if a marine licence has been granted in relation to that activity, may also be served on the licensee.

(2) The appropriate enforcement authority may by a further notice—
(a) revoke a stop notice;
(b) vary a stop notice so as to substitute a later date for the date specified in accordance with section 99(6)(b).

(3) A person who fails to comply with a stop notice commits an offence.

(4) A person guilty of an offence under subsection (3) is liable—
(a) on summary conviction, to a fine not exceeding £50,000;
(b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years or to both.

101 Imposition of safety requirements where stop notice is in force

(1) This section applies in any case where a stop notice is in effect.

(2) If it appears to the enforcement authority that serious interference with legitimate uses of the sea is occurring, or is likely to occur, as a result of the activity to which the stop notice relates, the enforcement authority may issue a notice (an “emergency safety notice”) to the person to whom the stop notice was issued.

(3) By issuing an emergency safety notice to a person, the enforcement authority imposes on that person such requirements as are prescribed in the notice with respect to any of the matters specified in subsection (4).

(4) Those matters are—
(a) the provision of lights, signals or other aids to navigation,
(b) the stationing of guard ships.

(5) An emergency safety notice may be issued to a person by the enforcement authority whether or not—
(a) the stop notice has been complied with, or
(b) any condition was included in a marine licence issued to the person with respect to any of the matters referred to in subsection (4).
(6) An emergency safety notice (in addition to specifying the requirements which it imposes) —
   (a) must state the enforcement authority’s grounds for believing that serious interference with legitimate uses of the sea is occurring, or is likely to occur, as a result of the activity to which the stop notice relates,
   (b) must state the date and time from which the requirements are to take effect (which may be a time on the date of the notice but must allow a period for compliance which is reasonable in all the circumstances of the case), and;
   (c) may require the person to take such steps as the authority considers appropriate to ensure that compliance with the requirements takes place safely.

(7) Except in a case falling within subsection (8), an emergency safety notice —
   (a) ceases to have effect at the end of the period of 7 days (or such shorter period as may be specified in the notice) beginning with the date on which the requirements in the notice take effect, but
   (b) may be renewed for a period specified in a further notice.

(8) An emergency safety notice may be renewed more than once under subsection (7)(b), but not so that it has effect for an aggregate period exceeding 35 days.

(9) If an emergency safety notice is issued to a person who does not hold a marine licence authorising the activity to which the stop notice relates, the emergency safety notice may remain in force until such time (if any) as such a licence is granted to that person.

102 Further provision as to emergency safety notices

(1) Any emergency safety notice issued by an enforcement authority must be served on the person or persons on whom the stop notice to which it relates was served.

(2) The appropriate enforcement authority may by a further notice—
   (a) revoke an emergency safety notice;
   (b) vary an emergency safety notice so as to substitute a later date for the date specified in accordance with section 101(6)(b).

(3) A person who fails to comply with an emergency safety notice commits an offence.

(4) A person guilty of an offence under subsection (3) is liable—
   (a) on summary conviction, to a fine not exceeding £50,000;
   (b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years or to both.

103 Power to take remedial action

(1) This section applies if it appears to the appropriate licensing authority for an area that a licensable marine activity has been carried on in its area otherwise than under a licence and in accordance with its conditions.
(2) The authority may carry out any works that appear to it to be necessary or expedient for the purpose of—
   (a) protecting the environment;
   (b) protecting human health;
   (c) preventing interference with legitimate uses of the sea.

104 Power to test, and charge for testing, certain substances

(1) A licensing authority may, at the request of any person, conduct tests for the purpose of ascertaining the probable effect on the marine environment of using any of the following substances—
   (a) any marine chemical treatment substance;
   (b) any marine oil treatment substance;
   (c) any marine surface fouling cleaner.

(2) In this section—
   “marine chemical treatment substance” means any substance used or intended to be used for treating chemicals—
     (a) on the surface of the sea or of the sea bed;
     (b) in the case of a wash-off substance, on any surface of a marine structure;
   “marine oil treatment substance” means any substance used or intended to be used for treating oil on the surface of the sea;
   “marine surface fouling cleaner” means any substance used or intended to be used for removing surface fouling matter—
     (a) from the surface of the sea or of the sea bed;
     (b) in the case of a wash-off substance, from any surface of a marine structure or vessel at times when the structure or vessel is in the sea or on the sea bed;
   “surface fouling matter” means any fouling, and includes, in particular,—
     (a) any algae;
     (b) any surface oil or chemical residue;

   “wash-off substance”, in relation to a marine structure or vessel, means any substance which, if used on a surface of the marine structure or vessel, will or might (whether in whole or to a significant extent)—
     (a) be removed from that surface, and
     (b) be deposited in the sea, whether by natural processes, or by treatment, or in any other way.

(3) A licensing authority may recover any expenses reasonably incurred in conducting any tests under subsection (1) from any person at whose request those tests were conducted.
Appeals against notices under this Part

105 Appeals against notices

(1) The appropriate licensing authority must by regulations make provision for any person to whom a notice is issued under section 69, 87, 88, 99 or 101 to appeal against that notice.

(2) The regulations required by subsection (1) must come into force on the day on which this Part comes into force.

(3) Regulations under this section may include—

(a) provision as to the procedure to be followed with respect to an appeal;
(b) provision suspending the notice pending determination of the appeal;
(c) provision as to the powers of any person to whom the appeal is made;

(2) The defence provided by subsection (1) is to be taken to be established if the defendant—

(a) acted under an employer's instructions,
(b) did not know and had no reason to suppose that the acts done constituted a contravention of the provision in question, and

(3) The defence provided by subsection (1) is to be taken to be established if the defendant—

(a) acted in reliance on information supplied by another person,
(b) did not know and had no reason to suppose that the information was false or misleading, and

PART 5

NATURE CONSERVATION

CHAPTER 1

MARINE CONSERVATION ZONES

Designation of zones

113 Marine conservation zones

(1) The appropriate authority may by order designate any area falling within subsection (2) as a marine conservation zone (an “MCZ”).
Section 114 sets out the grounds on which such an order may be made.

(2) An area falls within this subsection if—
(a) it is an area of the sea within the seaward limits of the territorial sea adjacent to the United Kingdom;
(b) it is an area of the sea within the limits of the exclusive economic zone;
(c) it is an area of the sea bed or subsoil within the limits of the UK sector of the continental shelf (so far as not falling within an area mentioned in paragraph (b)).

(3) But an area does not fall within subsection (2) if it is in—
   (a) the Scottish inshore region, or
   (b) the Northern Ireland inshore region.

(4) Section 115 makes further provision as to the areas that may be included in an MCZ.

(5) For the purposes of this Chapter the appropriate authority is—
   (a) in relation to an area in Wales, the Welsh Ministers;
   (b) in relation to an area in the Scottish offshore region, the Scottish Ministers;
   (c) in any other case, the Secretary of State.

(6) The Scottish Ministers may not designate any area as an MCZ without the agreement of the Secretary of State.

(7) An MCZ designated by the Scottish Ministers under this section is to be known as a marine protected area.

Any reference in this Act to an MCZ is, in relation to an MCZ designated by the Scottish Ministers, to be read as a reference to a marine protected area.

114 Grounds for designation of MCZs

(1) The appropriate authority may make an order under section 113 if it thinks that it is desirable to do so for the purpose of conserving—
   (a) marine flora or fauna;
   (b) marine habitats or types of marine habitat;
   (c) features of geological or geomorphological interest.

(2) The order must state—
   (a) the protected feature or features;
   (b) the conservation objectives for the MCZ.

(3) Any reference in this Chapter to the conservation objectives stated for an MCZ is a reference to the conservation objectives stated for the MCZ under subsection (2)(b).

(4) The reference in subsection (1)(a) to conserving marine flora or fauna includes, in particular, a reference to conserving any species that is rare or threatened because of—
   (a) the limited number of individuals of that species, or
   (b) the limited number of locations in which that species is present.

(5) The references in subsection (1)(a) and (b) to conserving marine flora or fauna or habitat include references to conserving the diversity of such flora, fauna or habitat, whether or not any or all of them are rare or threatened.

(6) Any reference to conserving a thing includes references to—
   (a) assisting in its conservation;
   (b) enabling or facilitating its recovery or increase.
(7) In considering whether it is desirable to designate an area as an MCZ, the appropriate authority may have regard to any economic or social consequences of doing so.

115 Further provision as to orders designating MCZs

(1) An order under section 113 must identify the boundaries of the area designated.

(2) The boundary of an MCZ may be determined by, or by reference to, mean high water spring tide.

(3) Any reference in subsection (2)(a) or (b) of section 113 to an area of sea includes a reference to any island in the sea, whether or not any part of it lies above mean high water spring tide.

(4) If an MCZ includes an area falling within subsection (2)(a) of section 113 (“area A”), it may also include an area of the seashore lying above mean high water spring tide (“area B”) if—
   (a) area B adjoins area A, and
   (b) any of the conditions in subsection (5) is satisfied.

(5) The conditions are—
   (a) that the protected feature or features leading to the designation of area A is or are also present in area B;
   (b) that area A is designated for the purpose of conserving marine flora or fauna which are dependent (wholly or in part) on anything which takes place in, or is present in, area B;
   (c) that, without the inclusion of area B, the identification of the boundary of the MCZ (either in the order designating the area or on the ground for the purposes of exercising functions in relation to it) would be impossible or impracticable.

(6) An order under section 113—
   (a) must designate an area of land (whether or not that land is covered by water), and
   (b) in the case of an area falling within subsection (2)(a) or (b) of that section, may designate some or all of the water covering that land.

116 Consultation before designation

(1) Before making an order under section 113, the appropriate authority must comply with subsections (2) to (9). This is subject to subsection (10).

(2) The appropriate authority must publish notice of its proposal to make the order.

(3) The notice under subsection (2) must—
   (a) be published in such manner as the appropriate authority thinks is most likely to bring the proposal to the attention of any persons who are likely to be affected by the making of the order;
   (b) contain a statement of the terms of the proposed order.
(4) The appropriate authority must consult any persons who the appropriate authority thinks are likely to be interested in, or affected by, the making of the order.

(5) Where the appropriate authority is not the Secretary of State, the authority must consult the Secretary of State.

(6) If the appropriate authority for an area other than Wales considers that—
   (a) the making of the order may affect any activity which is or may be carried on in the Welsh zone, or
   (b) any activity which is or may be carried on in the Welsh zone may affect any part of the proposed MCZ,
the authority must consult the Welsh Ministers.

(7) If the appropriate authority for an area other than the Scottish offshore region considers that—
   (a) the making of the order may affect any activity which is or may be carried on in the Scottish zone, or
   (b) any activity which is or may be carried on in the Scottish zone may affect any part of the proposed MCZ,
the authority must consult the Scottish Ministers.

(8) If the appropriate authority considers that—
   (a) the making of the order may affect any activity which is or may be carried on in the Northern Ireland zone, or
   (b) any activity which is or may be carried on in the Northern Ireland zone may affect any part of the proposed MCZ,
the authority must consult the Department of the Environment in Northern Ireland.

(9) The Secretary of State must consult—
   (a) the Welsh Ministers, if any part of the proposed MCZ lies in the Welsh offshore region;
   (b) the Department of the Environment in Northern Ireland, if any part of the proposed MCZ lies in the Northern Ireland zone.

(10) In a case where the appropriate authority thinks that there is an urgent need to protect the area proposed to be designated, the authority need not comply with subsections (2) to (4).

(11) In such a case, the order designating the area as an MCZ remains in force for a period not exceeding two years, unless the appropriate authority makes a further order before the end of that period confirming the designation. Before making such an order, the appropriate authority must comply with subsections (2) to (9).

117 Hearings by appropriate authority

(1) This section applies where the appropriate authority has the function of deciding whether to make an order under section 113 designating an area as an MCZ.

(2) The authority may, before making that decision, give to any person the opportunity of—
(a) appearing before and being heard by a person appointed for that purpose;
(b) providing written representations to such a person.

(3) The authority may make regulations providing for the procedure to be followed (including decisions as to costs) at hearings held under subsection (2).

(4) A person appointed under subsection (2) must make a report to the authority of any oral or written representations made under that subsection.

118 Amendment, revocation and review of orders designating MCZs

(1) An order under section 113 may be amended or revoked by a further order.

(2) The appropriate authority for an area must review any order it has made under section 113 if the authority receives representations from—
(a) the appropriate authority for another area, or
(b) the Department of the Environment in Northern Ireland, that the order should be amended or revoked.

119 Creation of network of conservation sites

(1) The appropriate authority must exercise the power conferred by section 113 (power to designate areas as MCZs) so as to contribute to the achievement of the objective in subsection (2).

(2) The objective is that the MCZs designated by the appropriate authority, taken together with any other MCZs designated under section 113 and any European marine sites that have been established in the UK marine area, form a network which satisfies the conditions in subsection (3).

(3) The conditions are—
(a) that the network contributes to the conservation or improvement of the marine environment in the UK marine area;
(b) that the features which are protected by the sites comprised in the network represent the range of features present in the UK marine area;
(c) that the designation of sites comprised in the network reflects the fact that the conservation of a feature may require the designation of more than one site.

(4) In exercising the power conferred by section 113 so as to comply with the duty imposed by subsection (1) above, the appropriate authority must have regard to any obligations under EU or international law that relate to the conservation or improvement of the marine environment.

(5) In this section—
“European marine site” means any site which is—
(a) a European marine site within the meaning of the Conservation (Natural Habitats, &c) Regulations 1994 (S.I. 1994/2716), or
(b) a European offshore marine site within the meaning of the Offshore Marine Conservation (Natural Habitats, &c) Regulations 2007 (S.I. 2007/1842);
“feature” means anything falling within paragraphs (a) to (c) of section 114(1).

120 Report

(1) Before the end of every relevant period, the appropriate authority must lay before the appropriate legislature a report setting out—

(b) any further steps which, in the opinion of the authority, are required to be taken in order to contribute to the achievement of that objective.

(2) The report must also contain the following information—

(a) the number of MCZs which the authority has designated during the relevant period;

(b) in relation to each such MCZ—

(i) the size of the MCZ, and

(ii) the conservation objectives which have been stated for the MCZ;

(c) the number of MCZs designated by the authority in which the following activities are prohibited or significantly restricted—

(i) any licensable marine activity;

(ii) fishing for or taking animals or plants from the sea;

(d) information about any amendments which the authority has made to any orders made under section 113;

(e) the extent to which, in the opinion of the authority, the conservation objectives stated for each MCZ which it has designated have been achieved;

(f) any further steps which, in the opinion of the authority, are required to be taken in relation to any MCZ in order to achieve the conservation objectives stated for it.

(3) For the purposes of complying with its duty under this section, the appropriate authority for any area may direct the appropriate statutory conservation body for that area to carry out such monitoring of MCZs in that area as is specified in the direction.

(4) A body that is given a direction under subsection (3) must comply with it.

(5) In this section—

“the appropriate legislature” means—

(a) in relation to the Secretary of State, Parliament;

(b) in relation to the Welsh Ministers, the National Assembly for Wales;

(c) in relation to the Scottish Ministers, the Scottish Parliament;

“licensable marine activity” has the same meaning as in Part 4;

(b) each subsequent period of six years.
Duties of public authorities

121 General duties of public authorities in relation to MCZs

(1) This section applies to any public authority having any function the exercise of which is capable of affecting (other than insignificantly)—
   (a) the protected features of an MCZ;
   (b) any ecological or geomorphological process on which the conservation of any protected feature of an MCZ is (wholly or in part) dependent.

(2) Every public authority to which this section applies must (so far as is consistent with their proper exercise)—
   (a) exercise its functions in the manner which the authority considers best furthers the conservation objectives stated for the MCZ;
   (b) where it is not possible to exercise its functions in a manner which furthers those objectives, exercise them in the manner which the authority considers least hinders the achievement of those objectives.

(3) If a public authority considers that the exercise of any of its functions would or might significantly hinder the achievement of the conservation objectives for an MCZ, it must inform the appropriate statutory conservation body of that fact.

(4) If a public authority considers that a relevant event has occurred, it must inform—
   (a) the relevant authority, and
   (b) the appropriate statutory conservation body,
   of that fact.

(5) A “relevant event” is any act or omission—
   (a) in relation to which the public authority exercises functions,
   (b) which the authority believes to be an offence, and
   (c) which the authority considers will or may significantly hinder the achievement of the conservation objectives for an MCZ.

(6) For the purposes of subsection (4) “relevant authority” means—
   (a) in relation to an MCZ in Wales, the Welsh Ministers;
   (b) in relation to an MCZ in the Scottish offshore region, the Scottish Ministers;
   (c) in relation to any other MCZ, the MMO.

(7) In carrying out its duties under this section a public authority must have regard to any advice or guidance given by the appropriate statutory conservation body under section 123.

(8) In this section “public authority” does not include a Northern Ireland Minister or Northern Ireland department.

122 Duties of public authorities in relation to certain decisions

(1) This section applies where—
   (a) a public authority has the function of determining an application (whenever made) for authorisation of the doing of an act, and
   (b) the act is capable of affecting (other than insignificantly)—
(i) the protected features of an MCZ;
(ii) any ecological or geomorphological process on which the conservation of any protected feature of an MCZ is (wholly or in part) dependent.

(2) If the authority believes that there is or may be a significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ, the authority must notify the appropriate statutory conservation body of that fact.

(3) Where the authority has given notification under subsection (2), it must wait until the expiry of the period of 28 days beginning with the date of the notification before deciding whether to grant authorisation for the doing of the act.

(4) Subsection (3) does not apply where—
   (a) the appropriate statutory conservation body notifies the authority that it need not wait until the end of the period referred to in that subsection, or
   (b) the authority thinks that there is an urgent need to grant authorisation for the doing of the act.

(5) The authority must not grant authorisation for the doing of the act unless the condition in subsection (6) or the condition in subsection (7) is met.

(6) The condition in this subsection is that the person seeking the authorisation satisfies the authority that there is no significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ.

(7) The condition in this subsection is that, although the person seeking the authorisation is not able to satisfy the authority that there is no significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ, that person satisfies the authority that—
   (a) there is no other means of proceeding with the act which would create a substantially lower risk of hindering the achievement of those objectives,
   (b) the benefit to the public of proceeding with the act clearly outweighs the risk of damage to the environment that will be created by proceeding with it, and
   (c) the person seeking the authorisation will undertake, or make arrangements for the undertaking of, measures of equivalent environmental benefit to the damage which the act will or is likely to have in or on the MCZ.

(8) The reference in subsection (7)(a) to other means of proceeding with an act includes a reference to proceeding with it—
   (a) in another manner, or
   (b) at another location.

(9) In a case falling within subsection (7), the authority must, if it has power to grant the authorisation subject to conditions, exercise that power so as to make it a condition of the authorisation that the measures mentioned in subsection (7)(c) are undertaken.

(10) In carrying out its duties under this section a public authority must have regard to any advice or guidance given by the appropriate statutory conservation body under section 123.
(11) In this section—
“act” includes omission;
“authorisation” means any approval, confirmation, consent, licence, permission or other authorisation (however described), whether special or general;

“public authority” does not include a Northern Ireland Minister or Northern Ireland department.

123 Advice and guidance by conservation bodies

(1) The appropriate statutory conservation body may give advice and guidance as to—
(a) the matters which are capable of damaging or otherwise affecting any protected feature or features;
(b) the matters which are capable of affecting any ecological or geomorphological process on which the conservation of any protected feature or features is (wholly or in part) dependent;
(c) how any conservation objectives stated for an MCZ may be furthered, or how the achievement of any such objectives may be hindered;
(d) how the effect of any activity or activities on an MCZ or MCZs may be mitigated;
(e) which activities are, or are not, of equivalent environmental benefit (for the purposes of section 122(7)(c)) to any particular damage to the environment (within the meaning of that provision).

(2) Advice or guidance may be given—
(a) either in relation to a particular MCZ or MCZs or generally;
(b) either to a particular public authority or authorities or generally.

(3) The appropriate statutory conservation body must give advice to a public authority if the authority requests it.

(4) If the appropriate statutory conservation body for an area proposes to exercise its functions under this section in a manner which may affect an MCZ or MCZs in an area for which another body is the appropriate statutory conservation body, it must consult that other body before doing so.

124 Failure to comply with duties etc

(1) This section applies if, in the opinion of the appropriate statutory conservation body, a public authority has failed—
(a) to comply with the duty imposed by section 121(2) or the duty imposed by section 122(5);
(b) to act in accordance with advice or guidance given by the appropriate statutory conservation body under section 123.

(2) Where this section applies—
(a) the body may request from the authority an explanation for the failure, and
(b) on such a request, the authority must provide such an explanation in writing.
(3) In this section “public authority” does not include a Northern Ireland Minister or Northern Ireland department.

Byelaws for protection of MCZs etc: England

125 Byelaws for protection of MCZs in England

(1) The MMO may make one or more byelaws for the purpose of furthering the conservation objectives stated for an MCZ in England.

(2) A byelaw under this section may be made so as to apply to any area in England.

(3) The provision that may be made by a byelaw under this section includes, in particular, provision—
   (a) prohibiting or restricting entry into, or any movement or other activity within, the MCZ by persons or animals;
   (b) prohibiting or restricting entry into, or any movement or other activity within, the MCZ by recreational vessels or (where appropriate) vehicles;
   (c) restricting the speed at which any vessel may move in the MCZ or in any specified area outside the MCZ where that movement might hinder the conservation objectives stated for the MCZ;
   (d) prohibiting or restricting the anchoring of any vessel within the MCZ;
   (e) prohibiting or restricting the killing, taking, destruction, molestation or disturbance of animals or plants of any description in the MCZ;
   (f) prohibiting or restricting the doing of anything in the MCZ which will interfere with the sea bed or damage or disturb any object in the MCZ.

(4) The provision that may be made by a byelaw under this section also includes provision prohibiting or restricting entry into, or any movement or other activity on, any part of the seashore that adjoins the MCZ by persons, animals or vehicles.

(5) A byelaw under this section may provide for the MMO to issue permits authorising anything which would, apart from such a permit, be unlawful under the byelaw.

(6) The MMO may attach to a permit under subsection (5) any condition which the MMO thinks appropriate to attach to that permit.

(7) A byelaw under this section may be made subject to specified exceptions.

(8) A byelaw under this section may make different provision for different cases, including (in particular)—
   (a) different parts of the MCZ;
   (b) different times of the year;
   (c) different means or methods of carrying out any activity.

(9) In this section “specified” means specified in the byelaw.

126 Byelaws: procedure

(1) Before making a byelaw under section 125, the MMO must comply with subsections (2) to (8).

This is subject to subsection (10).
(2) The MMO must send a copy of a draft of the byelaw to any person who the MMO thinks is likely to be interested in, or affected by, the making of the byelaw.

(3) If the byelaw would or might affect any activity in Wales, the MMO must send a copy of a draft of the byelaw to the Welsh Ministers.

(4) The MMO must place a copy of a draft of the byelaw in such place or places as the MMO thinks is or are likely to be most convenient for the purpose of enabling the draft to be inspected by persons likely to be affected by the making of the byelaw.

(5) The MMO must provide a copy of a draft of the byelaw to any person who requests one.

(6) The MMO may charge a fee, not exceeding its costs, for providing a copy under subsection (5).

(7) The MMO must publish notice of its proposal to make the byelaw.

(8) The notice under subsection (7) must—
   (a) be published in such manner as the MMO thinks is most likely to bring the proposal to the attention of any persons who are likely to be affected by the making of the byelaw;
   (b) state where the copy or copies of the draft byelaw have been placed by the MMO in accordance with subsection (4);
   (c) state the time within which representations about the byelaw must be made to the MMO.

(9) A byelaw made under section 125 does not have effect until it is confirmed by the Secretary of State; and a byelaw which is confirmed comes into force—
   (a) on such date as may be determined by the Secretary of State, or
   (b) if no such date is determined, one month after the date on which it is confirmed.

(10) Nothing in this section applies where the MMO thinks that there is an urgent need to protect an MCZ.

127 Emergency byelaws

(1) Where the MMO thinks that there is an urgent need to protect an MCZ, a byelaw made by it for that purpose has effect without being confirmed by the Secretary of State.

       which the notice of intent was received.
(4) Provision pursuant to subsection (2)(c)(ii)—

        the person would not, by reason of any defence, be liable to be  
        convicted of the offence in relation to which it was imposed, and  
    (b) may include provision for other circumstances in which the

(1) For the purposes of carrying out any relevant functions, an enforcement officer may enter and inspect any premises. This is subject to section 239 (which provides that a warrant is necessary to enter a dwelling).

(2) The officer may only exercise the power conferred by this section at a reasonable time, unless it appears to the officer that there are grounds for suspecting that the purpose of entering the premises may be frustrated if the officer seeks to enter at a reasonable time.

(3) An enforcement officer may require any person in or on the premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of the power conferred by this section.

(4) In this section “premises” includes land, but does not include any vehicle, vessel or marine installation.

238  **Power to enter and inspect vehicles**

(1) For the purposes of carrying out any relevant functions, an enforcement officer may at any time—

(3) An enforcement officer may require—

(a) any person travelling in a vehicle, or
(b) the registered keeper of a vehicle,

(4) The powers conferred by this section may be exercised in any place (whether or not it is a place to which the public has access).

(5) In this section “vehicle” does not include any vessel.

239  **Dwellings**

(1) An enforcement officer may not by virtue of section 236, 237 or 238 enter any dwelling unless a justice has issued a warrant authorising the officer to enter the dwelling.
(2) A justice may only issue such a warrant if, on an application by the officer, the justice is satisfied—
   (a) that the officer has reasonable grounds for believing that there is material in the dwelling which for the purposes of carrying out any relevant functions the officer wishes to inspect, examine or seize, and
   (b) that any of the conditions in subsection (3) is satisfied.

(3) The conditions are—
   (a) that it is not practicable to communicate with any person entitled to grant entry to the dwelling;
   (b) that it is not practicable to communicate with any person entitled to grant access to that material;
   (c) that entry to the dwelling is unlikely to be granted unless a warrant is produced;
   (d) that the purpose of entry may be frustrated or seriously prejudiced unless an enforcement officer arriving at the dwelling can secure immediate entry to it.

(4) Schedule 17 contains further provision about warrants issued under this section.

(5) In this Chapter “justice” means—
   (a) in relation to England and Wales, a justice of the peace;

that person’s control as the officer considers would facilitate the exercise of any
power conferred by this section.

(7) Where an enforcement officer reasonably believes that a person is or has been
carrying on a relevant activity, the officer may require that person to afford
such facilities and assistance with respect to matters under that person’s
control as the officer considers would facilitate the exercise in relation to that
person of any power conferred by this section.

(8) Nothing in this section confers any power to search a person.

(9) The reference in subsection (1) to anything that is in or on the relevant premises
includes a reference to—
   (a) anything that is attached to or otherwise forms part of the relevant
       premises, and

(4) For the purposes of this section—
   (a) information is recorded in hard copy form if it is recorded in a paper
      copy or similar form capable of being read (and references to hard copy
      have a corresponding meaning);
   (b) information can be read only if—
      (i) it can be read with the naked eye, or

(5) Subject to subsection (6), an enforcement officer who is exercising a power of inspection conferred by section 236, 237 or 238 may not remove from the relevant premises any item which is required by law to be kept on the relevant premises.

(6) An enforcement officer may remove such an item from a vessel while it is being detained in a port.

(7) Nothing in this section confers power on an enforcement officer to seize an item which the officer has reasonable grounds for believing to be subject to legal privilege (within the meaning of the Police and Criminal Evidence Act 1984 (c. 60)).

243 Further provision about seizure

(1) Where—
(a) any items which an enforcement officer wishes to seize and remove are in a container, and

any power to seize and remove the items conferred by section 242 includes power to seize and remove the container.

(2) Where—
(a) any items which an enforcement officer wishes to seize and remove are not in a container, and

(5) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise in relation to that person of any power conferred by section 242 or this section.

(6) In section 66 of the Criminal Justice and Police Act 2001 (c. 16) (general interpretation of Part 2) in subsection (1)—

   ““marine installation” has the meaning given by section 252 of the Marine and Coastal Access Act 2009;”;
   (b) in the definition of “premises”, after “offshore installation” insert “or other marine installation”.

(c) the owner or occupier of the premises;
(d) any person who is on the premises.

249 Power to direct vessel or marine installation to port

(1) This section applies where—
(a) an enforcement officer considers that it would not be reasonably practicable for the officer to exercise a power which the officer wishes to exercise in relation to a vessel or marine installation without detaining the vessel or marine installation in a port, or
(b) an enforcement officer reasonably believes that—
(i) a vessel or marine installation is itself evidence of the commission of a relevant offence, and
(ii) the only reasonably practicable way to preserve that evidence is to detain the vessel or marine installation in a port.

(2) The officer may—
   (a) take, or arrange for another person to take, the vessel or marine installation and its crew to the port which appears to the officer to be the nearest convenient port, or
   (b) require the person who is for the time being in charge of the vessel or marine installation to take it and its crew to that port.

(3) When the vessel or marine installation has been taken to a port, the officer may—

(6) A notice served under subsection (4) may be withdrawn by service of a further notice signed by an appropriate enforcement officer.

CHAPTER 4

FISHERIES ENFORCEMENT POWERS

Inspection and seizure of objects at sea

254 Power to inspect and seize objects at sea

(1) For the purposes of carrying out any relevant functions, an enforcement officer who has the power conferred by this section may inspect any object in the sea which the officer believes has been or is being used for or in connection with fishing.

The officer may lift an object out of the sea for the purposes of inspecting it under this section.

(2) An enforcement officer who has inspected an object under this section may seize the object.

(3) The power conferred by subsection (2) may only be exercised—

(a) for the purposes of determining whether a relevant offence has been committed, or

(b) in relation to an object which an enforcement officer reasonably believes to be evidence of the commission of a relevant offence.

(4) If, having inspected an object under this section, the officer decides not to seize it under subsection (2), the officer must, if it is reasonably practicable to do so, replace the object in the location where it was found.

(5) If it is not reasonably practicable to replace the object in accordance with subsection (4), the officer may seize the object until such time as it may be collected by its owner.

(6) Any power conferred by this section to seize an object includes power to seize—

(a) anything that is attached to the object;

(b) anything that is contained within the object.

(7) Any reference in this section to replacing an object includes, in the case of fishing gear, a reference to re-setting the gear in the same way in which it was placed in the sea.

(8) The powers conferred on an enforcement officer by this section are without prejudice to any powers exercisable by the officer apart from this section.

255 Reports of inspections under section 254

(1) This section applies where an enforcement officer inspects any object under section 254.

(2) The officer must prepare a report in relation to the inspection.

(3) The report must state—

(a) the date and time of the inspection;
(b) the identity of the officer who carried out the inspection;
(c) how the officer may be contacted.

(4) In the case of an object seized under section 254(2) or (5), the report must also state—
   (a) what has been seized;
   (b) the reasons for its seizure;
   (c) any further action that it is proposed will be taken in relation to the object.

(5) Where the object has not been seized under section 254(2) or (5), the officer must, if it is reasonably practicable to do so, attach a copy of the report to the object. If it is not reasonably practicable to attach a copy of the report to the object, the officer must serve a copy of the report on every person who appears to the officer to be the owner, or one of the owners, of the object.

(6) Where—
   (a) the object has been seized under section 254(2), and
   (b) either of the conditions in subsection (7) is satisfied,
the relevant authority must, if it has not already done so, serve a copy of the report on every person who appears to the authority to be the owner, or one of the owners, of the object.

(7) The conditions are—
   (a) that the relevant authority has decided not to take proceedings in respect of any offence in relation to which the object was seized;
   (b) that any proceedings taken in respect of such an offence have concluded.

(8) Where the object has been seized under section 254(5), the relevant authority must serve a copy of the report on every person who appears to the authority to be the owner, or one of the owners, of the object at the same time as it serves a notice of collection on that person under section 257.

(9) In a case where the relevant authority, after taking reasonable steps to do so, is unable to identify any person as owning the object—
   (a) any reference in this section to a requirement to serve a copy of a report on such a person is to be read as a reference to a requirement to take such steps as the authority thinks fit to bring the contents of the report to the attention of persons likely to be interested in it, and
   (b) the reference in subsection (8) to serving a notice of collection under section 257 is to be read as a reference to taking the steps referred to in subsection (5) of that section.

256 Retention of objects seized under section 254(2)

(1) Any object seized by an enforcement officer under section 254(2) may be retained by the relevant authority.

(2) If either of the grounds of release in subsection (3) applies, the relevant authority must, as soon as is reasonably practicable, make the object available for collection.

(3) The grounds of release referred to in subsection (2) are—
(a) that the relevant authority has decided not to take proceedings in respect of any offence in relation to which the object was seized;
(b) that any proceedings taken in respect of such an offence have concluded without any order for forfeiture having been made.

(4) But subsection (2) does not apply if the object is liable to forfeiture under section 265 or 266.

(5) Any reference in this section to an object seized under subsection (2) of section 254 includes a reference to anything seized by virtue of subsection (6) of that section.

257 Disposal of objects seized under section 254

(1) This section applies to—
   (a) any object seized under section 254(2) which the relevant authority—

      (ii) is required to make available for collection by virtue of section 256;
   (b) any object seized under section 254(5).

(2) In this section a “notice of collection” is a notice stating that—
   (a) the object specified in the notice is available to be collected from the location so specified, and
   (b) if the object is not collected before the end of the period of three months beginning with the date specified in the notice, the relevant authority will dispose of the object.

(3) The relevant authority must serve a notice of collection on every person who appears to the authority to be the owner, or one of the owners, of the object.

(4) The relevant authority may take any other steps it thinks fit to notify every such person that the object is available to be collected.

(5) If the relevant authority, after taking reasonable steps to do so, is unable to identify any person as owning the object in order to serve a notice of collection, the relevant authority must take such steps as it thinks fit to bring the information contained in the notice of collection to the attention of persons likely to be interested in it.

(6) If the relevant authority complies with subsection (3) or subsection (5), as the case may be, the relevant authority may, at the end of the period mentioned in subsection (2)(b), dispose of the object in whatever way it thinks fit.

(7) Any reference in this section to an object seized under subsection (2) or (5) of section 254 includes a reference to anything seized by virtue of subsection (6) of that section.

Seizure for purposes of forfeiture

258 Power to seize fish for purposes of forfeiture

(1) An enforcement officer who has the power conferred by this section may seize and detain or remove any fish in respect of which the officer reasonably believes a relevant offence has been committed.
(2) The power conferred by this section may only be exercised for the purposes of securing that, in the event of a conviction for a relevant offence, the court may exercise any relevant power of forfeiture in relation to fish in respect of which the offence was committed.

(3) Where—
   (a) any fish which an enforcement officer wishes to seize and remove are in a container, and
   (b) the officer reasonably considers that it would facilitate the seizure and removal of the fish if they remained in the container for that purpose,
any power to seize and remove the fish includes power to seize and remove the container.

(4) Where—
   (a) any fish which an enforcement officer wishes to seize and remove are not in a container, and
   (b) the officer reasonably considers that it would facilitate the seizure and removal of the fish if they were placed in a container suitable for that purpose,
the officer may require the fish to be placed into such a container.

(5) If, in the opinion of an enforcement officer, it is not for the time being practicable for the officer to seize and remove any fish, the officer may require—
   (a) the person from whom the fish are being seized, or
   (b) where the officer is exercising a power of inspection conferred by section 236, 237 or 238, any person in or on the relevant premises,
to secure that the fish are not removed or otherwise interfered with until such time as the officer may seize and remove them.

(6) Where an enforcement officer is exercising a power of inspection conferred by section 236, 237 or 238, the officer may require any person in or on the relevant premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by this section.

(7) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise in relation to that person of any power conferred by this section.

(8) In this section—
   “relevant activity”, in relation to an enforcement officer, means any activity in respect of which the officer has functions;
   “relevant power of forfeiture” means any power of a court to order the forfeiture of any fish in respect of which an offence has been committed;

(3) If, in the opinion of an enforcement officer, it is not for the time being practicable for the officer to seize and remove any fishing gear, the officer may require—

(a) the person from whom the fishing gear is being seized, or

(b) where the officer is exercising a power of inspection conferred by section 236, 237 or 238, any person in or on the relevant premises, to secure that the fishing gear is not removed or otherwise interfered with until such time as the officer may seize and remove it.

(4) Where an enforcement officer is exercising a power of inspection conferred by section 236, 237 or 238, the officer may require any person in or on the relevant premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by this section.

(5) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise in relation to that person of any power conferred by this section.

(6) In this section—

“relevant activity”, in relation to an enforcement officer, means any activity in respect of which the officer has functions;

“relevant power of forfeiture” means any power of a court to order the forfeiture of any fishing gear used in the commission of an offence;

“the relevant premises”, in relation to an enforcement officer exercising a power of inspection conferred by section 236, 237 or 238, means the vessel, marine installation, premises or vehicle in relation to which the power is being exercised.

260  **Procedure in relation to seizure under section 258 or 259**

(1) An enforcement officer who seizes any property under section 258 or 259 must, if it is reasonably practicable to do so, serve a notice on each of the following persons—

(a) every person who appears to the officer to have been the owner, or one of the owners, of the property at the time of its seizure;

(b) in the case of property seized from a vessel, the master, owner and charterer (if any) of the vessel at that time;

(c) in the case of property seized from premises, every person who appears to the officer to have been an occupier of the premises at that time;

(d) in any other case, the person (if any) from whom the property was seized.
(2) The notice must state—
   (a) what has been seized;
   (b) the reason for its seizure;
   (c) the offence which the officer believes has been committed;
   (d) any further action that it is proposed will be taken;
   (e) that, unless the property is liable to forfeiture under section 265 or 266,
       it is to be detained until such time as it is released or its forfeiture is
       ordered by the court.

(3) Subsections (4) and (5) apply in a case where the property was seized following
    an inspection carried out in exercise of the power conferred by section 254.

(4) The officer must serve a copy of the report referred to in section 255 on every
    person falling within paragraph (a) of subsection (1) above at the same time as
    the officer serves a notice on that person under this section.

(5) In a case where the officer, after taking reasonable steps to do so, is unable to
    identify any person as owning the property—
    (a) any reference in this section to a requirement to serve a copy of a report
        on that person is to be read as a reference to a requirement to take such
        steps as the authority thinks fit to bring the contents of the report to the
        attention of persons likely to be interested in it, and
    (b) the reference in subsection (4) to serving a copy of the report referred to

285 Application to the Crown

(1) The provisions of Chapters 1 to 5 of this Part are binding on the Crown. This is subject to subsection (2).

(2) No contravention by the Crown of any provision of Chapter 5 is to make the Crown criminally liable; but the High Court or, in Scotland, the Court of Session may declare unlawful any act or omission of the Crown which constitutes such a contravention.

PART 9

COASTAL ACCESS

The coastal access duty

286 The coastal access duty

(1) Natural England and the Secretary of State must exercise the relevant functions in order to secure the following objectives.

(2) The first objective is that there is a route for the whole of the English coast which—
   (a) consists of one or more long-distance routes along which the public are enabled to make recreational journeys on foot or by ferry, and
   (b) (except to the extent that it is completed by ferry) passes over land which is accessible to the public.

(3) The second objective is that, in association with that route (“the English coastal route”), a margin of land along the length of the English coast is accessible to the public for the purposes of its enjoyment by them in conjunction with that route or otherwise, except to the extent that the margin of land is relevant excepted land.

(4) The duty imposed on Natural England and the Secretary of State by subsection (1)—
   (a) is referred to in this Part as the coastal access duty, and
   (b) is to be discharged by them in such stages and within such period as appear to them to be appropriate.

(5) For the purposes of this section, land is accessible to the public if it is—
   (a) land which is available to the public for the purposes of open-air recreation, by virtue of provision made under section 3A of the CROW Act and subject to any exclusions or restrictions imposed by or under Part 1 of that Act (access to the countryside),
(b) land in England which, for the purposes of section 1(1) of that Act, is
treated by section 15(1) of that Act as being accessible to the public
apart from that Act, or
(c) excepted land in England which is accessible to the public by virtue of
any enactment or rule of law (other than a military lands byelaw).

(6) Nothing in this section requires Natural England or the Secretary of State, in
discharging the coastal access duty so far as it relates to the objective in
subsection (3), to exercise functions so as to secure that any land becomes land
within subsection (5)(b) or (c).

(7) For the purposes of the coastal access duty, a person is to be regarded as
enabled to make a journey by ferry even if that journey can be made at certain
times, or during certain periods, only.

(8) In this section—

“the 1949 Act” means the National Parks and Access to the Countryside
Act 1949 (c. 97);
“the CROW Act” means the Countryside and Rights of Way Act 2000
(c. 37);
“excepted land” has the same meaning as in Part 1 of the CROW Act;
“military lands byelaw” means a byelaw under section 14 of the Military
Lands Act 1892 (c. 43) or section 2 of the Military Lands Act 1900 (c. 56);
“relevant excepted land” means excepted land other than land within
subsection (5)(c);
“the relevant functions” means—

(a) in relation to Natural England—

(i) its functions under this Part, Part 4 of the 1949 Act (long-
distance routes) and Part 1 of the CROW Act (access to the countryside), and

(ii) such of its other functions as it considers it appropriate
to exercise for the purpose of securing the objectives in
subsections (2) and (3), and

(b) in relation to the Secretary of State—

(i) the Secretary of State’s functions under this Part, Part 4 of
the 1949 Act and Part 1 of the CROW Act, and

(ii) such of the Secretary of State’s other functions as the
Secretary of State considers it appropriate to exercise for
the purpose of securing the objectives in subsections (2)
and (3).

287 General provision about the coastal access duty

(1) In discharging the coastal access duty, Natural England and the Secretary of
State must comply with the requirements of this section.

(2) They must have regard to—

(a) the safety and convenience of those using the English coastal route,
(b) the desirability of that route adhering to the periphery of the coast and
   providing views of the sea, and
(c) the desirability of ensuring that so far as reasonably practicable
   interruptions to that route are kept to a minimum.
(3) They must aim to strike a fair balance between the interests of the public in having rights of access over land and the interests of any person with a relevant interest in the land.

(4) For this purpose a person has a relevant interest in land if the person—
   (a) holds an estate in fee simple absolute in possession in the land,
   (b) holds a term of years absolute in the land, or
   (c) is in lawful occupation of the land.

288 The coastal access scheme

(1) Natural England must—
   (a) prepare a scheme setting out the approach it will take when discharging the coastal access duty, and
   (b) submit the scheme to the Secretary of State.

(2) The Secretary of State may—
   (a) approve the scheme, with or without modifications, or
   (b) reject the scheme and give Natural England a notice requiring it to prepare and submit a new scheme under subsection (1).

(3) The scheme must be submitted to the Secretary of State within the period of 12 months beginning with the day on which this section comes into force or, in a case within subsection (2)(b), within the period specified in the notice.

(4) Natural England may, with the approval of the Secretary of State, revise a scheme approved under this section.

(5) Before preparing or revising a scheme under this section, Natural England must consult such persons as it considers appropriate.

(6) Natural England must publish, as soon as reasonably practicable—
   (a) the scheme approved by the Secretary of State, and
   (b) where that scheme is revised, the revised scheme.

(7) In discharging the coastal access duty, Natural England must act in accordance with the scheme approved under this section (or, where that scheme has been revised, the revised scheme).

(8) Until such time as there is an approved scheme under this section, Natural England may not prepare or submit a report under section 51 or 55 of the 1949 Act (report containing proposals for long-distance routes) pursuant to the coastal access duty.

(9) Nothing in subsection (8) prevents Natural England from surveying any land in connection with the preparation of such a report.

289 Review of the coastal access scheme

(1) Where a scheme has been approved under section 288, Natural England may, from time to time, review the scheme (as revised from time to time under that section).

(2) At least one review must be completed within the period of 3 years beginning with the day on which a scheme is first approved under section 288(2).
(3) Natural England must publish a report of each review under this section as soon as reasonably practicable after the review is completed.

290 The English coast

(1) In this Part “the English coast” means the coast of England adjacent to the sea, including the coast of any island (in the sea) comprised in England (other than an excluded island).

(2) An island is “excluded” if it is neither—
   (a) an accessible island, nor
   (b) an island specified by the Secretary of State by order for the purposes of this paragraph.

(3) An island is “accessible” if it is possible to walk to the island from the mainland of England, or from another island within subsection (2)(a) or (b), across the foreshore or by means of a bridge, tunnel or causeway.

(4) For the purposes of subsection (3), it is possible to walk to an island even if it is possible to do so at certain times, or during certain periods, only.

(5) An island may be specified by an order under subsection (2)(b) only if the Secretary of State is satisfied that the coast of the island is of sufficient length to enable the establishment of one or more long-distance routes along its length capable of affording the public an extensive journey on foot.

(6) For the purposes of the objective in section 286(2) (the English coastal route), the means of access to an accessible island is (to the extent that it would not otherwise be the case) to be regarded as part of the English coast.

(7) This section is subject to section 297 (Isles of Scilly).

291 River estuaries

(1) This section applies in a case where the continuity of any part of the English coast is interrupted by a river.

(2) Natural England may exercise its functions as if the references in the coastal access provisions to the sea included the relevant upstream waters of the river.

(3) For this purpose “the relevant upstream waters”, in relation to a river, means—
   (a) the waters from the seaward limit of the estuarial waters of the river upstream to the first public foot crossing, or
   (b) if Natural England so decides, the waters from the seaward limit of the estuarial waters of the river upstream to such limit, downstream of the first public foot crossing, as may be specified by it.

(4) In deciding whether to specify a limit under subsection (3)(b), and the location of that limit, in relation to a particular river, Natural England must have regard to the following matters (in addition to the matters mentioned in section 287(2))—
   (a) the nature of the land which would, for the purposes of this Part, become part of the coast of England if Natural England exercised the power in subsection (2) in respect of the relevant upstream waters for the limit under consideration;
   (b) the topography of the shoreline adjacent to those waters;
   (c) the width of the river upstream to that limit;
(d) the recreational benefit to the public of the coastal access duty being extended to apply in relation to the coast adjacent to those waters;
(e) the extent to which the land bordering those waters would, if it were coastal margin, be excepted land;
(f) whether it is desirable to continue the English coastal route to a particular physical feature (whether of the landscape or otherwise) or viewpoint;
(g) the existence of a ferry by which the public may cross the river.

(5) Anything done pursuant to subsection (2) (including any decision under subsection (3)(b)) is to be regarded as done pursuant to, and for the purpose of discharging, the coastal access duty.

(6) Subsections (1) to (5) apply in relation to the Secretary of State as they apply in relation to Natural England.

(7) A decision by Natural England to exercise a power conferred by subsection (2) or (3) in relation to a river—
   (a) is without prejudice to any decision by the Secretary of State (by virtue of subsection (6)) as to whether or not to exercise such a power in relation to the river, and
   (b) does not affect the requirements of subsection (4) (as they apply by virtue of subsection (6)) or of section 287(2) and (3), in relation to such a decision by the Secretary of State.

(8) In this section—
   “coastal access provisions” means—
   (a) this Part (other than this section), and
   (b) sections 55A to 55J of the 1949 Act;
   “excepted land” has the same meaning as in Part 1 of the CROW Act;
   “public foot crossing”, in relation to a river, means a bridge over which, or tunnel through which, there is a public right of way, or a public right of access, by virtue of which the public are able to cross the river on foot.

Implementation of the coastal access duty

292 Long-distance routes

“55A Proposals relating to the English coastal route

(1) Pursuant to the coastal access duty, Natural England may prepare and submit a report under section 51 containing proposals for a route (whether or not the requirements of section 51(1) are satisfied).

(2) For the purposes of subsection (1) it is immaterial whether the route or any part of it is already a route in approved proposals relating to a long-distance route.

(3) In this section “the coastal access duty” means the duty imposed on Natural England and the Secretary of State by section 286(1) of the Marine and Coastal Access Act 2009.
55B Route subject to erosion etc

(1) This section applies in relation to a report under section 51 prepared pursuant to the coastal access duty.

(2) Where Natural England considers that the area through which the route passes is an area to which subsection (3) applies, the report may set out proposals for the route, or any part of it, to be determined at any time in accordance with provision made in the proposals (rather than as shown on a map).

(3) This subsection applies to an area if it is or may be—
   (a) subject to significant coastal erosion or encroachment by the sea, or
   (b) subject to significant physical change due to other geomorphological processes.

(4) The provision made by virtue of subsection (2) may, in particular, provide for the route to be determined by reference to the edge of a cliff or boundary of a field (as it exists from time to time).

(5) Where the report contains proposals under subsection (2), the map included in the report in accordance with section 51(2) must show the route as determined, at the time the report is prepared, in accordance with those proposals.

(6) Natural England must consult the Environment Agency before exercising its powers under subsection (2) in respect of an area which is or may be—
   (a) subject to significant coastal erosion or encroachment by the sea, or
   (b) subject to significant physical change due to other geomorphological processes in relation to which the Agency has functions.

55C Alternative routes

(1) This section applies in relation to a report under section 51 prepared pursuant to the coastal access duty.

(2) The report may include, in relation to the route ("the ordinary route") or any part of it, a proposal under subsection (3) or (4).

(c) a proposal for the landward or seaward boundary of any area excluded from any description of excepted land to coincide with a physical feature so identified.

(3) The report must set out such proposals (if any) as Natural England considers appropriate as to the directions to be made by it under Chapter 2 of Part 1 of the CROW Act for the exclusion or restriction of the right of access that would arise under section 2(1) of that Act in relation to any land if the proposals in the report were to be approved.

(4) Before preparing the report, Natural England must (in addition to complying with section 51(4))—
(a) take reasonable steps to consult persons with a relevant interest in affected land,
(b) consult any body of a kind mentioned in section 51(4) in whose Park or area affected land is situated (but which is not required to be consulted under section 51(4)),

(b) notify Natural England if the Secretary of State is of the opinion that this information, or any part of it, ought not to be disclosed by it on the grounds of the public interest in defence and national security.

(7) Subject to subsection (8), the report must contain such of the information provided under subsection (6)(a) as Natural England considers relevant for the purposes of the report.

(2) A scheme may provide for the transfer of any property, rights or liabilities to take effect regardless of any such—
(a) contravention,
(b) liability, or
(c) interference with an interest or right,
as there would be (apart from this sub-paragraph) by reason of an inhibiting provision.

(3) For the purposes of sub-paragraph (2) an “inhibiting provision” is a provision having effect (whether under an enactment or an agreement or in any other way) in relation to the terms on which the transferor is entitled to the property or right, or is subject to the liability, that is the subject of the transfer.

Creation and apportionment of property, rights or liabilities

3 (1) A scheme may—

   (2) The contract of employment—
      (a) is not terminated by the transfer, and

   (5) This paragraph is subject to paragraph 6.

Employee expressing objection to transfer of contract of employment

6 (1) Rights and liabilities under a contract of employment are not transferred under this Schedule if the employee objects to the transferee and informs the transferor or transferee of that objection.

   (a) the individual is to be treated as employed by virtue of a contract of employment,
   (b) the terms of that employment are to be regarded as constituting the terms of that contract, and
   (c) the reference in paragraph 6 to dismissal by the transferor is to be read as a reference to termination of that employment.

(3) In the case of an individual who is to hold employment in the civil service of the State on and after the transfer date, the terms and conditions of the individual’s contract of employment immediately before that date have effect on and after that date as if they were terms and conditions of the individual’s employment in the civil service of the State.

Compensation

9 A scheme may contain provision for the payment of compensation by the Secretary of State to any person whose interests are adversely affected by the scheme.

Validity

Remedies

13 As from the date on which a transfer takes effect—
   (a) the transferee, and
   (b) any other persons,
are to have the same rights, powers and remedies with regard to any right or liability transferred as if the right or liability had at all times been a right or liability of the transferee.

Interim arrangements

14 (1) A scheme may include provision requiring a transferor to make available to a transferee during any interim period any of the following—
   (a) any designated premises or facilities occupied or used by the transferor;
   (b) any designated officers or employees of the transferor.

   (2) In this paragraph “interim period”, in the case of any transfer by virtue of a scheme, means a period—

15 (1) If, at any time after a scheme has come into force, the Secretary of State considers it appropriate to do so, the Secretary of State may direct that the scheme shall be taken to have come into force with such modifications as may be specified in the direction.

(3) If, before the day on which this Schedule comes into force, any consultation was undertaken which, had it been undertaken after that day, would to any extent have satisfied the requirements of this paragraph, those requirements may to that extent be taken to have been satisfied.

Guidance as to use of civil sanctions

9 (1) Where power is conferred on an enforcement authority under section 90 or 92 to impose a civil sanction in relation to an offence the provision conferring the power must secure the results in sub-paragraph (2).

(2) Those results are that—
   (a) the enforcement authority must publish guidance about its use of the sanction,
   (b) in the case of guidance relating to a fixed monetary penalty or a variable monetary penalty, the guidance must contain the relevant information,
   (c) the enforcement authority must revise the guidance where appropriate,

Publication of enforcement action

11 (1) Where power is conferred on an enforcement authority under section 90 or 92 to impose a civil sanction in relation to an offence, the provision conferring the power must, subject to this paragraph, secure the result in sub-paragraph (2).

(2) That result is that the enforcement authority must from time to time publish reports specifying—
(a) the cases in which the civil sanction has been imposed,
(b) where the civil sanction is a fixed monetary penalty, the cases in which liability to the penalty has been discharged pursuant to section 91(2)(b), and
(c) where the civil sanction is a variable monetary penalty, the cases in which an undertaking referred to in section 93(5) is accepted from such a person.

(3) In sub-paragraph (2)(a), the reference to cases in which the civil sanction has been imposed do not include cases where the sanction has been imposed but overturned on appeal.

(4) The provision conferring the power need not secure the result in sub-paragraph (2) in cases where the appropriate licensing authority considers that it would be inappropriate to do so.

Payment of penalties into Consolidated Fund etc

12 (1) Where pursuant to any provision made under section 90 or 92 an enforcement authority receives—
   (a) a fixed monetary penalty or a variable monetary penalty, or
   (b) any interest or other financial penalty for late payment of such a penalty,

(5) Nothing in this paragraph authorises the making of a disclosure in contravention of—
   (a) the Data Protection Act 1998 (c. 29), or

(6) This paragraph does not affect a power to disclose which exists apart from this paragraph.

   (2) The decision whether to take such proceedings must be taken as soon as reasonably practicable after the receipt of the notice of claim.

Return of property if no forfeiture proceedings

7 (1) If, in a case in which a notice of claim has been given, the relevant authority decides not to take proceedings for condemnation of the property, it must return the property to the person appearing to it to be the owner of the property, or, if there is more than one such person, to one of those persons.
   (2) Any property required to be returned in accordance with sub-paragraph (1) must be returned as soon as reasonably practicable after the decision not to take proceedings for condemnation.

(5) Sub-paragraph (6) applies if the owner or occupier of any land fails to carry out within the required period any works which the owner or occupier is required by an agreement under this paragraph to carry out.

(6) The contracting authority may take all necessary steps for carrying out the works, but it may do so only after giving at least 21 days’ notice of its intention to do so to the owner or occupier required by the agreement to carry out the works.

(7) Where the contracting authority carries out any works by virtue of sub-paragraph (6), the authority may recover the relevant expenses from the person by whom, under the agreement, the cost of carrying out the works (after deduction of the authority’s contribution) would fall to be borne.

(3) If the relevant authority is satisfied that it is unable to conclude on reasonable terms an agreement under paragraph 2 with the owner or occupier of the land for the carrying out of the required works, it may give the owner or occupier a notice stating that, after the end of the specified period, it intends to take all necessary steps for carrying out the required works.

(4) The “specified period” means the period specified in the notice, being a period of not less than 21 days beginning with the day on which the notice is given.
