TAXATION (INTERNATIONAL AND OTHER PROVISIONS) BILL

EXPLANATORY NOTES

SUPPLEMENTARY NOTE

Following introduction in the House of Commons, the Taxation (International and Other Provisions) Bill was amended in the Joint Committee on Tax Law Rewrite Bills. The Tax Law Rewrite Project set out the amendments, with brief explanations, in Appendix 4 of its written evidence to the Joint Committee. This is included in the Joint Committee's Report (HL Paper 31, HC 232).

On 28 January 2010 the House of Commons reprinted the Bill, incorporating the amendments agreed to in the Joint Committee. As the Bill has not been amended since this reprint, it has been decided that the Bill should not be reprinted by the House of Lords. The Bill before the House of Lords is therefore HC Bill 44. This Supplementary Note details changes to the Explanatory Notes (HC Bill 2-EN) that result from the amendments now incorporated in the Bill.

In paragraph 1372 of the Explanatory Notes, delete the last sentence which is now redundant since it refers to a paragraph, of Schedule 9 to the Bill, that was omitted by an amendment made in the Joint Committee.
